1	ASL 101L	American Sign Language II (Lab)	American Sign Language II Lab	ASL	No impacts	CSU	Computer Assisted, Television, Online, Two-Way Video	No	Graded Only(changed)	No (changed)	Currently, more than 70% of ASL 101 students complete over 15 hours per semester of independent lab study. Because the lab component is highly recommended, but not required, it is not built into the schedule. Students need to have an opportunity to practice the language, not just study it. This change will ensure that all students have the opportunity to develop conversational skills that adhere to Deaf cultural values and communication norms with a teacher present to lead communication activities.	Updated description, coding, added ASL 100L and ASL 100 prerequisites and ASL 101 corequisite, grading basis (graded only) open entry/exit (not)	Objectives, SLOs, content outline, general course updates not affecting catalog	Melissa B. 2 Military Leadership				MIL	A.S./CA	18			Palomar College proposes to train active duty Marines as General and Operations Managers (O*NET Code 11-1021). The proposed Military Leadership (MIL) Program will prepare United States Marine Corps (USMC) Sergeants to transition to Staff Sergeant rank within the USMC and to secure successful employment within the locally prominent military and defense industries after they exit service. The military and defense sector was responsible for nearly 340,000 of the San Diego region's total jobs in 2018, a number that is expected to grow in future years. More broadly, the local labor market demand for General and Operations Managers is also expected to increase, resulting in in-demand jobs for trained applicants. Enlisted Marines, who are disproportionately people of color, are required to have only a high school diploma upon entering the service, and experience lower socioeconomic status over the long-term than commissioned officers. The proposed program aims to mitigate the achievement gap through increasing formal education and training opportunities for enlisted Marines.	Add		Candace Rose
3 Social Justice: American Indian Studies and American Studies				AIS	A.A.-T.	18			Senate Bill 440 required the creation of four Model Curriculum (TMC) templates to allow students a broader area of study than previously available in other Associate Degrees for Transfer (ADTs). As of September 2017, all four TMCs, Global Studies, Law, Public Policy, and Society; Social Justice, and Social Work and Human Services have been posted to the Chancellor's Office website. CSUSM offers a B.A. in American Indians Studies. Several of the courses in this A.A./transfer meet degree requirements for this B.A. This degree is accepted at Humboldt, CSUDH and SFSU.			Patricia A. Dixon
4 Social Justice: Chicana and Chicano Studies				CS	A.A.-T.	18			Senate Bill 440 required the creation of four Transfer Model Curriculum" (TMC) templates to allow students a broader area of study than previously available in other Associate Degrees for Transfer (ADTs).
