B. Action: Credit Course Changes - effective Fall 2020														
Subj.	Nmbr	Title	Short Title	Impacts	Trans. Acce	Dist. Ed.	Multi	Grade Basis	Open Entry/ Open Exit	Justification	Reqs.	Orig.		
1	NURS	118	Nursing II	Nursing II	None	UC/CSU	No	No	Grade Only	No	The nursing department is challenged with ensuring our students achieve the requisite number of clinical hours over the next few semesters due to the impact of COVID-19. Each semester our clinical partners welcome our students into their facilities to complete the clinical experience portion of their nursing education. Due to the impact of the pandemic and the possible emergence (unknown as of this writing) of COVID-19, our clinical partners may restrict our students without prior notice from continuing in their facilities. We will schedule our students with as many clinical hours as possible in the beginning of the semester to ensure that they meet the BRN (Board of Registered Nursing) requirement of 75% direct patient care rule. Currently NURS 118 is 5.0 s.h. of clinical/lab (240h/semester or 15h/week). 75% of this = 180h of direct patient care. Proposed change is to 4.0 s.h. of clinical lab (192h/semester or 12h week). 75% of this = 144h of direct patient care. This proposed change will decrease the number of clinical hours our students will need to meet the BRN requirement of 75% direct patient contact hours from 180 to 144. This will help to ensure that we can meet the BRN requirement and successfully progress our students into the next semester.	Decreased units from 9 to 8, decreased lab hours from 15 to 12	Prerequisite: NURS 103, NURS 117 and Corequisite: NURS 203	Loren Pope

The following curriculum changes, pending appropriate approvals, will be effective Fall 2020

C. Credit Programs - Deactivations - effective Fall 2020				
Program Title	Disci.	Award	Justification	Catalog/Student Originator
1 Legal Studies	LS	A.S./C.A.	<p>There is not a transfer pathway within the AA in Legal Studies. There are a few CSUs offering a legal studies concentration in the majors of Business, Philosophy, or Political Science; however, these concentrations are at the upper-division level similar to Business concentrations. I have not yet seen a degree in this discipline where we can articulate to the lower division level. If this were to occur, we would likely have the opportunity to articulate minimal units in survey or introductory courses as this would primarily be an upper-division major. (Articulation Officer, Ben Mudgett, spring 2020)</p> <p>This degree is high in units at 32 units with no articulation in the program requirements as a result of transfer pathways not existing to articulate with. There are two TOP codes for law; 1401 and *1402 where *1402 is a vocational top code for paralegal studies and 1401 requires at least 51% articulation to a BA program or local need.</p> <p>Paralegal Studies is a program that has been phased out for many years now and the college is not in a position to rebuild this program. Also, Miramar College has since created a Paralegal Studies Program.</p> <p>Importantly, the Business Department adapted the new transfer degree: Law, Public Policy and Society, which has two pathways and we also still have courses articulated with the UCSD extension program.</p>	Jackie Martin
2 Psychological and Social Services	PSYC	AA/CA	Low number of program and certificate completers, replacement CTE program has been approved in Social Work and Human Services (SWHS)	James Fent
3 Public Works Management - Level III	PWM	A.S./C.A.	Unstable enrollment and no FT faculty to manage this program.	Anthony Fedon

D. Action: Requisites - effective Fall 2020			
Course	Course Title	Requisite (s)	Proposal Type
1 CFT 212	CNC II - Intermediate Design Software and CNC Milling	Prerequisite: (Completion of, or concurrent enrollment in): CFT 112	New Credit Course
2 NURS 118	Nursing II	Prerequisite: NURS 103, NURS 117 Corequisite: NURS 203	Credit Course Change

May 20, 2020

The following curriculum changes, pending appropriate approvals, will be effective Fall 2020

Subj.	Nmbr	Title	Short Title	Impacts	Trans.	Dist. Ed.	Multi.	Grade Basis	Open Entry/Exit	Justification	Reqs.	Orig.
3	NURS 217	Nursing III								Prerequisite: NURS 118, Admission to the Associate Degree Nursing Program (LVN-RN), Admission to the non-degree program LVN-RN (30-unit option) Prerequisite: (Completion of, or concurrent enrollment in): NURS 203	Credit Course Change	
4	NURS 218	Nursing IV								Prerequisite: NURS 217, NURS 203	Credit Course Change	

E. Action: Technical Corrections - effective Fall 2020 - The following are approved as options for the Competence in Health and Fitness activity courses for the Associate's Degree General Education requirement

- 1 DNCE 115 Ballet I
- 2 DNCE 149 Afro-Cuban/Brazilian Dance I
- 3 DNCE 151 Latin Social Dance I
- 4 DNCE 153 Capoeira: Afro/Brazilian Martial Arts I
- 5 DNCE 210 Ballet III

F. Action: Technical Corrections - effective Fall 2020 - The ASL department is removing all curriculum changes which were to be effective fall 2020 for reconsideration. Courses will revert back to original status as reflected in the 2019-2020 college catalog. Courses were brought to curriculum multiple times. Therefore, all actions are presented here for retraction.
