C. **ACTION - CURRICULUM COURSES AND PROGRAMS**

Approve Curriculum Proposals Effective Fall 2020, pending other appropriate approvals:

1. **Distance Education and Course Reviews** – MSC Sprague, Fritch

F. **DISCUSSION**

1. **BP/AP 4021 Program Development Revitalization and/or Discontinuance/Nelson & Sivert** – There have been questions about who should oversee this process, IPC or Curriculum. Should be a little bit of both. Looking at program performance would involve IPC. Once program is in revitalization process, curriculum would oversee. Taskforce is outlined in document and will report out to Curriculum Committee at prescribed times. Process should be primarily overseen by Curriculum Committee. The policy is making its way through various college governing bodies with feedback going to Shayla. Afterward, it will go to Policies and Procedures to finalize.

G. **ADJOURNMENT** – Meeting adjourned at 4:43
