

PALOMAR COLLEGE'S REGISTERED DENTAL ASSISTING (RDA) PROGRAM

Denise Rudy
Director

OVERVIEW OF THE RDA PROFESSION

WHAT IS AN RDA?

- An RDA is short for Registered Dental Assistant.
- Dental assistants with RDA licenses are able to legally perform a wider range of specific duties than those who are unlicensed, which makes them more marketable to employers. RDA's have a higher salary as compared to unlicensed dental assistants
- Who oversees such licensing and regulation? In California, these responsibilities fall on the Dental Board of California.

WHAT IS AN RDA?

An RDA is short for
Registered Dental Assistant.

There are 2 types
of Dental Assistants: one
with a license (RDA) and
one without (DA)

DAs take x-rays and help
the dentist.

RDAs have direct duties
and can work without the
supervision of a doctor.

OVERVIEW OF THE RDA PROFESSION

PRACTICE PROFILES

RDA's work is all types of dental offices:

- Large clinics
- Private offices
- Orthodontics
- Oral Surgery
- Pediatrics
- Other Specialty Practices

JOB OPPORTUNITIES

In California, the number of Dental Assistants is expected to grow much faster than average growth rate for all occupations.

Jobs for Dental Assistants are expected to increase by 13.5 % between 2019 and 2029.

*Data from CA Employment Development
Department www.labormarketinfo.edd.ca.gov*

OVERVIEW OF THE RDA PROFESSION

SALARY

\$24-\$28+ per hour

This is a starting salary.

Most alumni have informed us that they start at the higher end of this range.

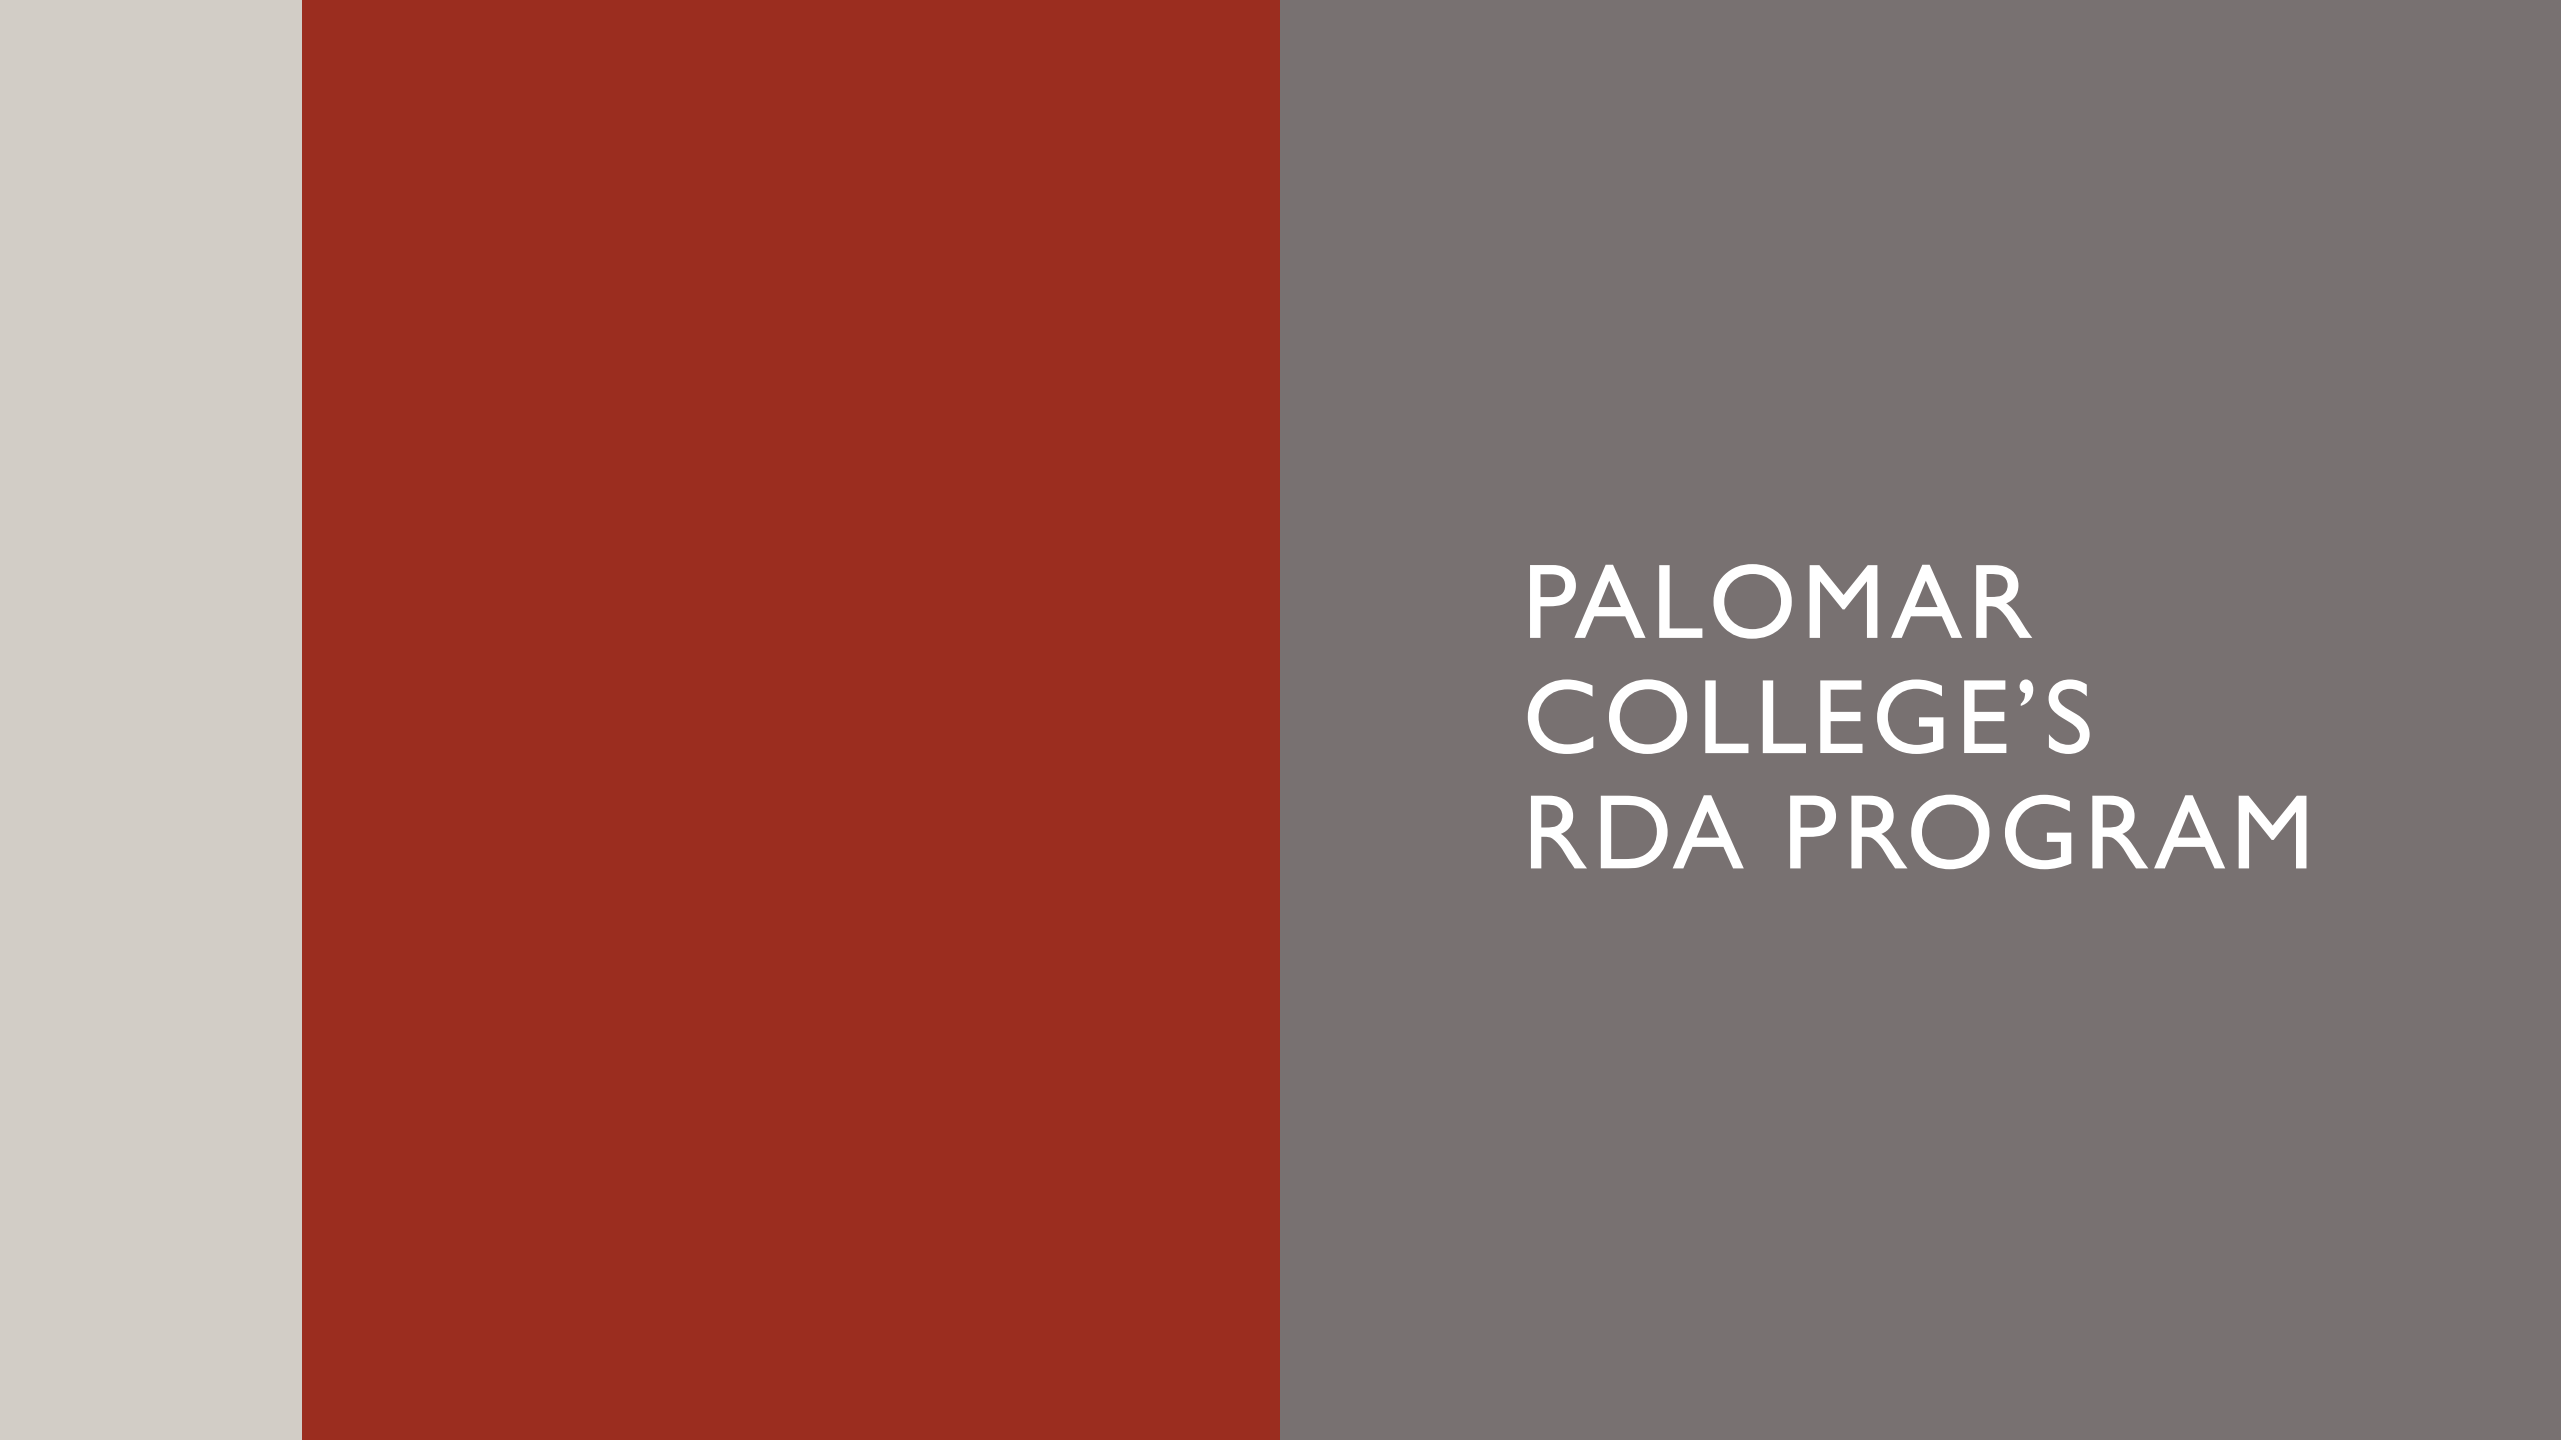

Our students are also highly sought after, even without receiving their licenses.

JOB AVAILABILITY

- RDA jobs cannot be outsourced
- Part-time and Full-time opportunities
- Pleasant Working Conditions

Employment opportunities are posted online from dental offices and clinics that contact our department.

PALOMAR COLLEGE'S RDA PROGRAM

RDA PROGRAM MISSION & CORE VALUES

The purpose of the Registered Dental Assisting Program is to provide the community with Registered Dental Assistants who can work with the dental team to attain the shared goal of providing the best possible care for their patients and abide by ethical principles of the Dental Assisting profession.

The Registered Dental Assisting Program is committed to giving students opportunities to gain knowledge and develop skills while utilizing critical thinking as an integral part of the process as well.

RECOGNITION

- Palomar College and Mesa College RDA Programs are the ONLY programs in San Diego County that are recognized by the Dental Assisting National Board (DANB), allowing you to become a Certified Dental Assistant (CDA).
- **If life should take you to another state, make sure your hard-earned education will transfer and be recognized.**
- The RDA Program at Palomar College qualifies students to take both California state (RDA) and national (CDA) examinations at NO extra cost!

ACCREDITATION

RDA PROGRAM

- Commission on Dental Accreditation (CODA) of the American Dental Association (ADA)
- Dental Board of California (DBC)
- Dental Assisting National Board (DANB)

PALOMAR COLLEGE

- Accrediting Commission for Community and Junior Colleges (ACCJC)
- Western Association of Schools and Colleges (WASC)

PROGRAM GOALS

- Prepare the dental assisting student for **employment** as a dental health care professional.
- Prepare the dental assistant to be a **safe and competent** dental health care professional, by being in compliance with both Federal and California state standards and regulations.
- Prepare the dental assisting student with academic knowledge and skill competence to **qualify for both** the California Registered Dental Assistant Examinations and the Dental Assisting National Board examinations.
- Provide curriculum that will offer opportunities for the dental assisting student to develop competency in **basic practice management procedures**.
- **Certify students** for performing radiography procedures within the State of California.
- Provide curriculum that will give the dental assisting student the knowledge and understanding of the **laws, professional duties, and ethical behaviors** of the California Registered Dental Assistant.

PROGRAM OUTCOMES

At Palomar College you can receive a *Certificate of Achievement in Dental Assisting* or earn an *Associate's Degree in Dental Assisting*.

You will complete **over 300 hours** of experience while interning in dental offices or clinics.

OUR RDA EXAM PASS RATES

- 2022/23: combined Pass Rate 100%
- 2021/22: combined Pass Rate 100%
- 2020/21: combined Pass Rate 100%
- 2019/20: combined Pass Rate 100%
