## **NORTH, SOUTH & ESCONDIDO EDUCATION CENTERS**

- Students requesting to take exams at the North, South, or Escondido Education Center will need to adhere the following guidelines:
  - Students must follow standard appointment request procedure. Failure to request exam appointment(s) through the DRC Testing Center may result in accommodations not supported.
  - Exams will only be proctored at the location where the course is being instructed or at the Testing Center.
  - Exams proctored at satellite campuses will be administered at the center's TLC unless other arrangements have been made and approved by the DRC. Student will be notified of any changes to location prior to the appointment.

## **RESCHEDULED EXAM APPOINTMENT**

- Students will need to provide approval from the instructor with the new time and date. Once a new time and date have been approved, the student must contact the Testing Center to reschedule. Example of approval include:
  - Email or phone call from the instructor to the DRC Testing Center.
  - New online submission or blue DRC Proctor Form with the updated information.

## **CANCELLATION & NO-SHOW POLICY**

- Students are responsible for canceling testing appointments by phone, email, or in person. If the student fails to cancel, the appointment will be marked as a no-show.
- After two (2) no-shows, the student will need to meet with the DRC Director to get testing accommodations re-instated.
- Only students and instructors are allowed to cancel testing appointments.

## **NO APPOINTMENT POLICY**

- Exam appointments requests not made three (3) business days in advanced will need to be reviewed by the Testing Center Coordinator.
- Students attempting to take exams they have not scheduled will have their tests administered at the discretion of the Testing Coordinator.
- Availability is determent by space and time and other approved accommodation needs.
- After two (2) "no-appointments" incidents, the student will need to meet with a DRC Counselor or Director to get testing accommodations re-instated.

## **EVENING CLASSES**

- The DRC Testing Center is open from 8 am to 6 pm, Monday through Thursday, and 8 am to 2 pm on Friday. Students in courses with exam times that fall outside of the DRC Testing hours may:
  - Work with the instructor to receive the approved accommodations at the class/exam time.
  - Schedule the exam during DRC's testing hours on a day/time agreed upon by the instructor.

## ONLINE COURSES

- The student is to prepare and send an email to the instructor's preferred email address that includes the student's name, Palomar ID, and an attachment of the Accommodation Form for the instructor's signature.
- The student will then need to submit the signed Accommodation Form(s) to the DRC office in person, email, or fax.
- For an online course requiring on-campus quizzes/tests, follow standard request appointment procedure.

## ALTERNATIVE MEDIA/READERS/SCRIBES/AIDES

- The student must notify DRC staff when scheduling the testing appointment if they would like an approved reader, scribe, or assistive and alternate media during the test. A reader or scribe **will not be scheduled or available on the test day unless requested at the time of the test appointment is made. A minimum three (3) business days of notice is needed to allow the DRC to secure a reader or a scribe.**
- **Please note, testing appointments that require a reader or scribe made after the three day deadline may not be supported.**
- The DRC would like to encourage students approved for readers and scribes to utilize available assistive technology and alternate media. Students seeking approval and training in alternate media and assistive technology, should contact their DRC counselor.
- Approved Student Aides are only allowed to assist with personal hygiene or matters involving student safety. Refer to DRC's Student Aide forms.

## EXAM METHOD OF DELIVERY

- The DRC recommends that students confirm that the quiz/test has been delivered to the Testing Center **24 hours** prior to their testing appointment.
- Students are not allowed to deliver exams to the Testing Center or return completed exams to their instructor.

## DAY OF ON-CAMPUS QUIZ/TEST

- Students are expected to arrive to take their exam appointment five minutes before the scheduled start time. All students will need to check in with the DRC proctor and provide a picture I.D. **If the**

**student arrives 15 minutes late, the student will need to reschedule the quiz/test.** Should there be extenuating circumstances surrounding the late arrival, contact DRC's Testing Coordinator.

- All personal belongings including books, notes, backpacks, purses, calculators, food/drink (unless approved), smart devices (ex: Apple Watch), etc. will need to be placed in the storage areas.
- Cell phones need to be **turned off** and with your belongings in the designated lockers/spaces before entering the Testing Center.
- Only instructor-approved items (books, notes, etc.) may be taken into Testing Center. If notes are allowed, these will need to be turned in with the exam. If the student would like to keep a copy of the notes, it is the student's responsibility to make arrangements with the instructor to retrieve them at a later time.
- The DRC will provide scratch paper and this will need to be turned in with the exam.
- Talking, whispering, gum-chewing, and pencil tapping, etc., may be distracting to other students who are testing. Students exhibiting distracting behavior will be notified of this by the proctor or Testing Coordinator. If the behavior continues, the student will be required to meet with a counselor before being permitted to take tests in DRC's Testing Center.
- The DRC provides new earplugs to use for free. Students can request them from staff at any time.
- Food and drink are not allowed in the testing room, with the exception of water bottles with a closeable lid. Students who require food during the exam are permitted to exit the testing room and consume their food in the lobby of the Testing Center (unless the professor has given direction that this is not allowed).

## **CHEATING**

- Please note that DRC staff monitor a live video camera feed that records activity in the testing rooms. All incidents of cheating or suspicious activity will be documented and reported to the instructor. Cheating is a violation of the Standards of Student Conduct (AP 5500) and may result in suspension or expulsion. Should the student violate the terms agreed upon between the student, the instructor and DRC, DRC testing accommodation service may be suspended. The student will receive a letter sent by US Mail to the address on file for Palomar College, informing the student about the decision and condition(s) to determine reinstatement of this service.

## **DISRUPTIVE BEHAVIOR**

- Students are to adhere to Palomar College Student Code of Conduct at all times. All violations will be documented and reported to the Office of Student Affairs and the DRC Director.

## BREAKS

- If restroom breaks during testing have been approved, the student must bring all quiz/exam material to the proctor as they are not allowed to leave with exam materials or personal items such as a cell phone after the testing appointment has begun.
- The student will have **10 minutes** to use the facilities. Time exceeding 10 minutes will be documented and reported to the instructor. Any unusual activity or unusual length of time taken for the break will be documented and reported to the instructor. **Testing time will not be paused** during break (unless “restroom breaks, clock stopped” is an approved accommodation on your Accommodation Form and AAP). If the instructor does not allow restroom breaks during the duration of the exam, the DRC will need to follow the professor’s request, unless restroom breaks are an approved accommodation. DRC staff will notify the student at the beginning of the testing appointment if they are not allowed to take restroom breaks.

## TIME ALLOWED DURING EXAMS

- Time will be determined based on the standard time for the exam provided by the instructor. The standard test time will then be adjusted based on the student’s approved extended time accommodation (time and a half or double time). If the instructor does not provide a standard time for exam, DRC staff make an attempt to obtain this information via email or phone.
- The student’s test time will start when the student arrives to their designated seat in the Testing Center. The students are responsible to monitor their own time. Students are encouraged to use the clock in the room or on the computer, if applicable, or a personal timer to monitor their time independently. Personal timers can be requested at any time during the exam.
- When the student’s time has expired, the student will be notified by the test proctor. If the student continues to work on the quiz/exam after the allotted time has expired, the proctor will make a note that the student neglected to stop despite being instructed to do so. It is to the instructor’s discretion if the student will receive credit for the quiz/exam.
- If the student runs out of time, it will be noted; the instructor is not required to allow the student additional time to complete the quiz or exam. If the student would like to request additional extended time, the student will need to make an appointment with a DRC counselor to discuss an accommodation request/revision.
- DRC staff are not allowed to extend time or adjust accommodations if the exam was not completed during the scheduled test. If a student would like to request additional extended time for subsequent exams, they need to make an appointment with a DRC counselor to discuss this accommodation request/revision.

## **UPON COMPLETION OF QUIZ/TEST**

- All materials must be turned into the proctor, including quiz/exam, scratch paper, and notes (if approved).
- Once the quiz/exam has been handed over to the proctor, it will be placed in a sealed envelope and it will not be able to be given back to the student. If the student would like to make corrections or add information, the student will need to make arrangements with the course instructor.
- DRC will deliver the quiz/exam to the instructor or department unless otherwise specified on the envelope by the instructor.
