

MATH JAM Fall 2021

PREPARE FOR YOUR MATH CLASS WITH A ONE-DAY WORKSHOP

Has it been 6-weeks, a semester, a year, or even longer since you took your last math course? Regardless of the amount of time that has passed, you can forget key concepts that will help you succeed in your next math course. Let Palomar help you get prepared for your next course.

Free Math Jam Workshops

MONDAY
8/15/22
9 AM - 1 PM

PREP FOR COLLEGE ALGEBRA Part 1 WITH SHELBI HATHAWAY

Intended for any student placed into MATH 101+14, Math 101, MATH 105, MATH 106, MATH 110+11, MATH 110, MATH 126, MATH 130, or MATH 135. Review intermediate algebra to succeed in college algebra or business calculus. A good refresher for those who haven't taken math in a while.

TUESDAY
8/16/22
9 AM - 1 PM

PREP FOR COLLEGE ALGEBRA Part 2 WITH SHELBI HATHAWAY

Intended for any student placed into MATH 110+11, MATH 110, MATH 126, MATH 130, or MATH 135. Review intermediate algebra to succeed in college algebra or business calculus. A good refresher for those who haven't taken math in a while.

WEDNESDAY
8/17/21
9 AM - 1 PM

PREP FOR STATISTICS WITH MATTHEW HUMACIU

Intended for any student placed into MATH 101+14, MATH 101, PSYC/SOC 205, BUS 204, MATH 120+20, or MATH 120. Review pre-algebra and pre-statistics to succeed in statistics or quantitative reasoning.

THURSDAY
8/18/21
9 AM - 1 PM

PREP FOR CALCULUS WITH ELI ZIADE

Intended for any student placed into MATH 140 or MATH 141. Review college algebra, trigonometry, and pre-calculus to succeed in calculus.

WORKSHOPS ARE OPEN TO ALL, ARE FREE & OCCUR ONLINE.
PARTICIPANTS WILL BE EMAILED A ZOOM LINK AFTER THEY REGISTER.
