

ECE Lab School
PALOMAR COLLEGE
Where Learning for Success Begins.

Now Enrolling Children 6 months to 5 years!

We currently have limited space for children of all ages at both of our sites. Services are available to families of Palomar College students, staff, as well as the community.

San Marcos Campus

- > Serving children ages 6 months – 5 years
- > Accepting alternative funding such as YMCA, CDA, etc.
- > Includes a reduced or tuition-free*, California State Preschool Program (CSPP) for children ages 2 ½ – 5 years

Escondido Campus

- > Full-day and part-day options available
- > Includes a reduced or tuition-free*, California State Preschool Program (CSPP) for children ages 2 ½ – 5 years

For more information and to start the application process, please visit our website:
<https://www.palomar.edu/ecelabschool/>

This institution is an equal opportunity provider.

*Families must qualify for services based on income and/or need eligibility.

Palomar College ECE Lab School has more to offer children and families in comparison to most infant, toddler, preschool, and TK programs.

- Over **40 years of caring** for children where multiple generations continue to return for education & care.
- Competitive rates with consistently **low teacher-to-child ratio**.
- Certificated, highly educated teachers with an average of 22+ years of ECE teaching expertise.
- **Continuity of care** where children remain with the same teacher and classroom for multiple years.
- Age-appropriate activities to engage and nurture on a **natural, park-like playground**.
- Attention to the health and development of each child with **breakfast, lunch, and snack** included.
- **High-quality building facilities** with a community college on-campus learning environment.
- Inclusive classrooms with **early intervention services** and referrals.
- **Conveniently located** on both the San Marcos and Escondido campus facilities.

ECE Lab School Mission Statement

We have committed ourselves to:

- Appreciating childhood as a unique and valuable stage of the human life cycle.
- Basing our work with children on knowledge of child development.
- Appreciating and supporting the close ties between the child and the family.
- Recognize that children are best understood and supported in the context of family, culture, community, and society.
- Respecting the dignity, worth, and uniqueness of each individual.
- Helping children and adults achieve their full potential in the context of relationships that are based on trust, respect, and positive regard.

Please visit our website- <https://www.palomar.edu/ecelabschool/> for additional information on our programs, including fees and funding options.
