## Key Take Aways:

Please note, there will be no changes to the faculty and staff PeopleSoft experience. It is only the student's journey that will change on October 1. When faculty and staff click on MyPalomar at the top of the homepage, it will take everyone to the dashboard shown below. Once you click your "Faculty/Staff MyPalomar Login" and login, you will arrive at your existing Peoplesoft screen.

	PALOMAR COLLEGE
MyP	alomar(eServices) Login
	Palomar ID
	Password
	ID/Password Help   Information
	Sign In

When <u>Students login</u> to the "MyPalomar Student Login", they will access their new student center dashboard with information for searching for courses and enrolling, seeing any holds, view their finances and financial aid, their class schedule, and more. See screenshots below.

₽ <		<b>()</b>	Q

From the "MyPalomar Student Login", students will login,

and access their new Student Center Dashboard that looks like this.

LOHAR COLLEGE	=	Dashboard			\$
