## Palomar College EOPS/CARE 70+ Unit Appeal

The Palomar College EOPS/CARE 70+ Unit Appeal can be completed by any student who has been notified of a disqualification from EOPS based on their status as a student who has completed 70 degree applicable units or more. EOPS is intended to support students in their pursuit of their educational goals and to promote student success. The 70 unit maximum was established by the state to encourage students to remain on track with their defined educational goals and in alignment with their education plan. If you believe that you have been disqualified in error or that you are enrolled in a high unit major as defined by the state, and should be eligible to access EOPS supports beyond the 70 unit maximum, please complete the following appeal for consideration.

<b>Program of study?</b>	
<b>Units Earned?</b>	
<b>Cumulative GPA?</b>	
<b>Number of Units Remaining?</b>	
<b>Number of Semesters until Degree Completion?</b>
