

CANVAS WORKSHOP

Skills - Support - Success

What is Canvas?

Canvas is a "Course Management System" licensed by Palomar College. It is a place where you can find information about your class(es) such as:

- Instructor information (office hours & location, phone, e-mail, etc.)
- Announcements
- Syllabus
- Course files
- Assignments
- Grades
- Discussions with class/students

If you miss a class, you can always go to Canvas to see the outline of what the class did for that specific day.

Canvas is an online tool that can be accessed 24/7 from any computer using the Chrome browser.

THE ESL DEPARTMENT WELCOMES A DIVERSE COMMUNITY OF STUDENTS

What are the benefits of taking this Online Workshop?

By attending this online workshop, you will be better prepared for your class(es) that use Canvas and know how to navigate throughout it.

Workshop Dates & Times:

Tuesday's at 2:30 pm on:
October 6, 13, 20, 27
