Evaluation Type Needed: Comprehensive/Detailed/Course-by-Course Report

NOTES:

- This is for the Associate Degree G.E. (yellow sheet) and General Studies major work only
- Courses for other majors must be approved by the department on a Course Substitution Form
- If transferring, student should check with transfer school
- Anatomy, Physiology, Microbiology courses are not approved for the Nursing Program
- Math courses must be Trigonometry, Pre-calculus or College Algebra
 - General Math and Statistics do not indicate math level and may not be used
 - Approved math course may be double-counted in Area A2, Communication/Analytical Thinking
- Most science courses are approved for Area B, Natural Sciences

While we recommend the services above as we are very familiar with these evaluations, we would accept a Comprehensive/Detailed/Course-by-Course report from a service which is a current member of NACES, <http://www.naces.org/members.htm>.
