

ATTENTION:

The job opportunities listed here are intended for students who have been awarded Federal Work Study as part of their financial aid package. If you are not sure whether you are a FWS recipient or would like more information about the program, please visit our website at <https://www2.palomar.edu/pages/fa/federal-work-study/>, inquire at the Financial Aid Office, or e-mail workstudy@palomar.edu. If you secure an interview with a prospective employer, you must complete the Student and Temporary Application Form and take it with you to the interview. The form can be found in the Hiring Forms section on the Work Study page of the Financial Aid website.

Job Title: The Telescope's Student Online Editor

Location: H-103

Palomar College Phone Number: 760-744-1150

Job Skills and Qualifications: This person must be able to code, design and maintain The Telescope newspaper's Web site. We want to improve our Web site and are looking for someone who has the time and creativity to make it invaluable to Palomar College! The job requires knowledge of Web design, both Mac and PC computers, College Publisher and other design programs. This person should be able to post blogs, work with interactive video and put up slide-shows of news events for The Telescope.

Duties: This is an opportunity to stretch your creative Internet muscles!. The Telescope is looking for a web-savvy person to help us make our Web site more relevant and user friendly for Palomar College students. This person will be asked to work with Telescope student editors each week to post news stories, features and photos. But we also hope this person will take the initiative to add extra features such as blogs, videos, and other interactive amenities. You will have the freedom to try new designs and features that can be used as a resume builder for your future career.
