An online application was created to identify Title IV eligible students and allow them to indicate that they had incurred expenses due to the campus disruption and conversion to online education. Students were awarded as they applied and until funds were exhausted. The application was available to students on May 28, 2020. In addition, eligible students who have already applied for COVID grant funds from campus sources have been identified and will be given priority in awarding the HEERF Grants. HEERF Grants are disbursed by check to students, in the same manner as other federal student aid funds. Student are instructed that the funds are provided to cover expenses incurred due to campus disruption caused by the COVID-19 epidemic
