You will be granted a tuition/fees deferment for the semester. Outstanding fees owed to the College will be paid automatically from your scholarship. Any remaining funds will be disbursed according to donor criteria. We will not award any Scholarship funds over the Cost of Attendance.

Note: In general, awards over \$1,000 will be disbursed in two equal payments (one/per semester) unless otherwise indicated by the donor. Students are required to submit a Scholarship Disbursement request form each school year. **Scholarship students will be dropped for non-payment of enrollment fees if the form is not submitted each school year.**

Student Certification

I understand that my scholarship award may have restrictions placed by the donor regarding type of educational expenses covered and how funds can be disbursed to pay for expenses. I understand that my request cannot be authorized until the scholarship funds have been received by the College. I authorize the College to release enrollment, academic and budget information to the donor if required. **Finally, I understand that if I become ineligible for the scholarship or funds are not received, any debt owed to the college is my personal liability.**
