Power Your Drive EV Drivers

Congratulations! Your employer, apartment community or condo association is participating in SDG&E's Power Your Drive program, which provides charging stations for your electric car. The program's special electricity rate allows you to take advantage of renewable energy. It's like your EV is driving on sunshine.

These Level 2 charging stations are just for your use, and not open to the public. Let's get you charging!

<u>**Important Note**</u> You must use the email address on file with your SDG&E account in order to successfully complete PYD and ChargePoint Enrollment.
