

FISCAL MEMORANDUM FAS 18-04

DATE: April 10, 2018
TO: All Administrators, Faculty, and Staff
FROM: Carmen Martinez-Coniglio, Director of Fiscal Services
SUBJECT: GRANTS 101: Federal and State Compliance Training

Fiscal Services is offering a 5-hour **Grants 101: Federal and State Compliance Training** on **April 25th from 8:30 to 2:30 p.m.**

This training will provide an introduction on the general provisions, pre- and post-award administrative requirements of federal and State agencies, and examples of how these agencies apply the requirements into the day-to-day grants management practices at Palomar.

Several changes on federal and State laws impact the audits of grant-funded programs. This training will focus on the significant reforms to the audit requirements under the Uniform Guidance 2CFR200 and the State compliance requirements of the California Community Colleges Chancellor's Office.

This will assist those who record and report on grant project activities in complying with the required standards. Training is open to everyone. Sign up through the [3PD Portal](#).
