Fair and Accurate Credit Transactions Act (FACT Act) 15 U.S. Code Section
1681m(e)

Since the District serves as a creditor in relation to its students, the District is required to provide for the identification, detection, and response to patterns, practices, or specific activities (“Red Flags”) that could indicate identity theft of students. The Superintendent/President is directed to develop procedures to implement an Identity Theft Prevention Program (ITPP) to control reasonably foreseeable risks to students from identity theft.
