Chapter 1. Introduction

The Palomar Community College District Equal Employment Opportunity Plan (“Plan”) reflects the District’s commitment to fair and equitable treatment in employment towards realizing the full benefits of a culturally diverse and inclusive teaching and learning environment. The District believes that fostering diversity affords the best opportunity to enhance and realize institutional excellence, while preparing those at the center of the institution’s mission, the students, to be responsible and culturally competent contributors in an increasingly global society.

The Plan provides an ongoing, systematic approach to evaluating the District’s equal employment opportunity (EEO) practices. The primary goals of the Plan are to assess which practices best ensure equal treatment of all applicants and employees; to ensure that decisions regarding those practices are based upon and supported by applicable data; and to create a culturally inclusive environment that supports a diverse academic environment and workforce.

The Plan delineates the EEO practices that the District utilizes to further its commitment to diversity. In accordance with Title 5 of the California Code of Regulations, Section 53000 et seq. and other applicable laws, regulations, and District policies and procedures, the Plan details the connection between methods to achieve EEO through measurable outcomes and the District’s overarching strategic planning and program review mechanisms. Largely driven by Title 5, the Plan also aligns with Standard III.A. Human Resources of the Accrediting Commission for Community and Junior College’s Accreditation Standards.

The Human Resource Services (HRS) Department has primary responsibility for the development, review and systematic evaluation of the Plan. The Plan and any subsequent updates will undergo review through the District’s shared governance process during which the Equal Employment Opportunity Advisory Committee, the Human Resource Services Planning Council, and then the Strategic Planning Council provide feedback to HRS, which is then incorporated into the Plan. Final review and approval of the Plan resides with the District’s Governing Board. The Plan is reviewed and, as necessary, updated every three years as required by the California Community Colleges Chancellor’s Office.

Adopted by the Governing Board of the Palomar Community College District on June 14, 2016.

Adrian Gonzales
Interim Superintendent/President

Chapter 2. Definitions

Included in this chapter are definitions for terms used in the Plan and related concepts.

Adverse Impact. *Adverse impact* means that a statistical measure (such as those outlined in the Equal Employment Opportunity Commission's "Uniform Guidelines on Employee Selection Procedures") is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

Appeal. *Appeal* means a request in writing made by a complainant to the Palomar Community College District's Governing Board pursuant to Title 5, Section 59338, and/or to the California Community Colleges Chancellor's Office (Chancellor's Office) pursuant to Title 5, Section 59339, to review the administrative determination of the District regarding a complaint of discrimination.

Chancellor. The Chancellor of the California Community Colleges system.

Chancellor's Office. The California Community Colleges Chancellor's Office.

Complaint. *Complaint* means a written and signed statement meeting the requirements of Title 5, Section 59328 that alleges unlawful discrimination in violation of the nondiscrimination regulations adopted by the Board of Governors of the California Community Colleges as set forth in Title 5, Section 59300 et seq.

DFEH. *DFEH* is an acronym for the California Department of Fair Employment and Housing.

District. *District* means the Palomar Community College District. This definition is inclusive of any District program or activity that is funded directly by the state or receives financial assistance from the state, or any other organization associated with the District or its educational centers that receives state funding or financial assistance through the District.

Diversity. *Diversity* means a condition of broad inclusion in an employment environment that offers equality and respect for all persons. It requires both the presence, and the respectful treatment, of individuals from a wide range of ethnic, racial, cultural, age, national origin, religious, sex, gender, sexual orientation, disability, socioeconomic, academic, and other backgrounds protected by federal and state laws and regulations. A diverse educational community demonstrates through its practices that it recognizes the educational benefits to all students from attending school in an environment that promotes and values employee diversity at all levels. Hiring strategies

to maximize workforce diversity enhance and include steps for identifying and eliminating adverse impact and the barriers to employment of historically underrepresented groups.

Equal Employment Opportunity. *Equal employment opportunity* means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories listed in Section 53004(a). Ensuring equal employment opportunity also involves:

1. Identifying and eliminating barriers to employment that disproportionately exclude, or have an adverse impact upon, individuals based on any protected status identified in Government Code section 12940; and
2. Creating an environment which fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to individuals from all groups protected from discrimination pursuant to Government Code section 12940.

Equal Employment Opportunity Plan. The *Equal Employment Opportunity Plan* is the written document in which the District's workforce is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

Equal Employment Opportunity Programs. *Equal employment opportunity programs* means all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring, and taking additional steps consistent with the requirements of Title 5, Section 53006.

Ethnic Minorities. *Ethnic minorities*, as defined by Title 5, Section 53001(f)(1), means American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.

Ethnic Group Identification. *Ethnic group identification* means an individual's identification in one or more of the ethnic groups reported to the Chancellor pursuant to Title 5, Section 53004. These groups shall be more specifically defined by the Chancellor consistent with state and federal law.

Monitored Group. *Monitored group* means those groups identified in Title 5, Section 53004(b) for which monitoring and reporting is required pursuant to Title 5, Section 53004(a).

OCR. An acronym for the Office for Civil Rights of the United States Department of Education.

Person with a Disability. *Person with a disability* means any person who (1) has a physical or mental impairment as defined in Government Code section 12926 which limits one or more of such person's major life activities; (2) has a record of such an

impairment; or (3) is regarded as having such an impairment. A person with a disability is "limited" if the condition makes the achievement of the major life activity difficult.

Projected Representation. *Projected representation* means the percentage of persons from a monitored group determined by the Chancellor to be available and qualified to perform the work in question.

Reasonable Accommodation. *Reasonable accommodation* means the efforts made on the part of the District to remove artificial or real barriers which prevent or limit the employment and upward mobility of persons with disabilities. "Reasonable accommodations" may include the items designated in Title 5, Section 53025.

Responsible District Officer. *Responsible District Officer* means the person identified by the District as the person responsible for receiving and coordinating investigations of complaints of unlawful discrimination filed with the Chancellor's Office pursuant to Title 5, Section 59328.

Screening or Selection Procedure. *Screening or selection procedure* means any measure, combination of measures, or procedure used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to, traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.

Significantly Underrepresented Group. *Significantly underrepresented group* means any monitored group for which the percentage of persons from that group employed by the District in any job category listed in Title 5, Section 53004(a) is below eighty percent (80%) of the projected representation for that group in the job category in question.

Adopted April 12, 2011

The Governing Board supports the intent set forth by the California Legislature to assure that effort is made to build a community in which opportunity is equalized and community colleges foster a climate of acceptance with the inclusion of faculty and staff from a wide variety of backgrounds. It agrees that diversity in the academic environment fosters cultural awareness, mutual understanding, respect, harmony, and suitable role models for all students. The Board therefore commits itself to promote the total realization of equal employment through a continuing equal employment opportunity program.

In all phases of recruitment and hiring, equal opportunity is afforded to all employees and qualified applicants for employment without discrimination on the basis of characteristics including, but not limited to: ethnic group identification, race, color, national origin, religion, socioeconomic status, age, sex, gender, gender identity, physical or mental disability, sexual orientation, political affiliation, transgender, marital status, veteran status, medical conditions, union membership or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Superintendent/President shall develop, for review and adoption by the Board, a plan for equal employment opportunity that complies with the Education Code and Title 5 requirements as from time to time modified or clarified by judicial interpretation. The Vice President, Human Resource Services is the responsible District officer charged with receiving formal complaints of equal employment opportunity violations and coordinating the investigation.

Chapter 4.

Delegation of Responsibility, Authority, and Compliance

Achieving the goal of a diverse educational culture requires the collective efforts of the college community as a whole. All employees and agents of the District are responsible for promoting and supporting equal employment opportunity in order to realize the full benefits of a diverse, collaborative, and inclusive District culture. The general responsibilities for the prompt and effective implementation of this Plan are set forth below.

Governing Board. The Governing Board is ultimately responsible for the proper implementation of the District's Plan at all levels of District operations, for ensuring equal employment opportunity as described in the Plan, and is accountable for the success of the Plan.

Superintendent/President. The Governing Board delegates to the Superintendent/President the responsibility for ongoing implementation of the Plan and for providing leadership in supporting and articulating the District's equal employment opportunity policies and procedures. The Superintendent/President shall advise the Governing Board concerning statewide policy emanating from the Board of Governors of the California Community Colleges.

Equal Employment Opportunity Officer. The Governing Board designates the Assistant Superintendent/Vice President, Human Resource Services as the Equal Employment Opportunity officer who is responsible for the day-to-day implementation of the Plan. If the designation of the equal employment opportunity officer changes before this Plan is next revised, the District will notify employees and applicants for employment of the new designee. The equal employment opportunity officer is responsible for administering, implementing and monitoring the Plan and for assuring compliance with the requirements of Title 5, Sections 53000 et seq. The equal employment opportunity officer is also responsible for receiving complaints described in Chapter 6. Complaints and for ensuring that District workforce, applicant pools, and selection procedures are properly monitored. For purposes of receiving, investigating, and resolving complaints of unlawful discrimination and harassment, the Equal Employment Opportunity Officer is referred to as the Responsible District Officer pursuant to Title 5, Section 59324.

Equal Employment Opportunity Advisory Committee. To promote understanding and support of equal employment opportunity policies and procedures, the District has established an Equal Employment Opportunity Advisory Committee (EEOAC), as further detailed in Chapter 5. The EEOAC acts as an advisory body to the equal employment opportunity officer and the District as a whole and assists in the implementation of the Plan pursuant to Title 5, Section 53003.

District Employees. Consistent with applicable state and federal laws and applicable collective bargaining agreements and employee handbooks, employees shall actively

promote equal employment opportunity and the diversity goals of the Plan in all facets of District operations and processes, including, but not limited to, recruitment, selection, evaluation, and tenure.

Good Faith Effort. The District shall make a continuous good faith effort to comply with all the requirements of the Plan.

Chapter 5.

EEO Advisory Committee

Role. The District has established an Equal Employment Opportunity Advisory Committee (EEOAC) to assist in the articulation and implementation of the Plan. The EEOAC assists the District in achieving understanding of and support for equal employment opportunity and non-discrimination policies and procedures consistent with the purposes of the Plan. As further delineated in Chapter 8. Training for Selection Committees, the Equal Employment Opportunity Officer or qualified designees shall train the EEOAC on equal employment compliance and the Plan itself. The specific responsibilities of the EEOAC include:

1. Assisting in developing the District's Plan in compliance with state and federal regulations, statutes, and guidelines.
2. Monitoring the implementation and progress of the Plan and recommending corrective action when necessary.
3. Advising the District's Equal Employment Opportunity Officer in the development and presentation of annual reports to the Governing Board and Superintendent/President and responding to equal employment inquiries and concerns of all employees.
4. Assisting the District's Equal Employment Opportunity Officer in developing and coordinating information programs for District employees.
5. Reviewing and suggesting revisions in services, employment policies, and other written and unwritten rules, policies, practices, and procedures that affect persons with disabilities.
6. Monitoring the implementation of and compliance with the Americans with Disabilities Act.

Meetings. The EEO Advisory Committee meets once each month during the regular academic year. Meeting agendas and minutes are posted on the District's website at www.palomar.edu/committees/eeoc.

Composition. The EEOAC is comprised of District students, faculty, staff, administrators, and community members. A good faith effort shall be made to establish and maintain a committee comprised of a diverse membership and with respect to the principles of shared governance. The membership of the EEOAC is as follows:

- Chair: Assistant Superintendent/Vice President, Human Resource Services (Equal Employment Opportunity Officer)
- Four (4) full-time faculty members appointed by the Faculty Senate

- One (1) full-time faculty member appointed by the Palomar Faculty Federation
- One (1) part-time faculty member appointed by the Faculty Senate

- One (1) member of the Administrative Association

Chapter 6.

Unlawful Discrimination and Sexual Harassment Complaints

Overview: EEO and Unlawful Discrimination Complaints. Pursuant to Title 5, Section 53003(c)(2), this chapter addresses two sources of complaints: (a) those alleging violations of the equal employment opportunity regulations under Title 5, Section 53026; and (b) those alleging unlawful discrimination or harassment under Title 5, Section 59300, with or without reference to equal employment opportunity violations. All such complaints shall be filed with the Responsible District Officer, except those against the Equal Employment Opportunity Officer, which shall be filed with the Superintendent/President.

Complaints Alleging Violation of the Equal Employment Opportunity Regulations (Title 5, Section 53026). The District is committed to the principles of equal employment opportunity and has established the following process permitting any person to file a complaint alleging that the requirements of the equal employment regulations, as outlined in Title 5, Sections 53000 et seq., have been violated. All complaints shall be in writing, signed and dated by the complainant, and shall contain the following: the name(s) of the individual(s) involved, the date(s) of the alleged violation(s), and a detailed description of the actions constituting the alleged violation(s).

All complaints must be filed as soon as possible after the occurrence of an alleged violation unless the violation is ongoing. Complaints involving current hiring processes must be filed no later than 60 calendar days after such occurrence unless the complainant can verify a compelling reason for the District to waive the 60-day limitation. Complaints alleging violations of the Plan that do not involve a current hiring process must be filed no later than 90 days after such occurrence unless the violation is ongoing.

A complainant may not appeal the District's determination pursuant to Title 5, Section 53026 to the Chancellor's Office, but under some circumstances, violations of the equal opportunity regulations in Title 5 may constitute a violation of a minimum condition for receipt of state aid. In such cases, a complaint can be filed with the Chancellor's Office, but the complainant will be required to demonstrate that he/she made previous reasonable, but unsuccessful, efforts to resolve the alleged violation at the District level using the process provided by Title 5, Section 53026. Guidelines for minimum conditions complaints are provided on the website of the Chancellor's Office at www.cccco.edu.

The District may return without action any complaints that are inadequate because they do not state a clear violation of the EEO regulations. All returned complaints must include a District statement of the reason for returning the complaint without action. To the extent practicable, a written determination on all accepted written complaints will be issued to the complainant within 90 days of the filing of the complaint. The Equal

Employment Opportunity Officer will forward copies of all written complaints to the Chancellor's Office upon receipt.

In the event that a complaint filed under Title 5, Section 53026 alleges unlawful discrimination, it will be processed according to the requirements of Title 5, Section 59300 et. seq.

Complaints Alleging Unlawful Discrimination or Harassment (Title 5, Section 59300 et seq.). Complaints alleging unlawful discrimination or harassment follow the procedures set forth in Title 5, Section 59300 et. seq., regardless of whether such complaints also include allegations of equal employment opportunity violations. The District has adopted policies and procedures for complaints alleging unlawful discrimination or harassment, which are included in Appendix A.

Chapter 7.

Notification to District Employees

The commitment of the Governing Board and the Superintendent/President to equal employment opportunity is emphasized through the broad dissemination of the District's equal employment opportunity policy statement and the Plan.

The Plan and subsequent revisions will be distributed to the Governing Board, the Superintendent/President, administrators, the Faculty Senate's leadership, union and employee group representatives and members of the District's Equal Employment Opportunity Advisory Committee. The Plan will also be available on the District's website and notifications of updates and revisions will be made via the website and e-mail notification.

Each year, the District will provide all employees with a copy of the District's equal employment opportunity policy statement, Board Policy 3420 (located in Chapter 3. EEO Policy Statement) and written notice summarizing the provisions of the Plan. The Human Resource Services Department will provide all new employees with a copy of the written notice described above when they commence their employment with the District. The annual notice will contain the following provisions:

1. The importance of the employee's participation and responsibility in ensuring the Plan's implementation.
2. A list of locations where complete copies of the Plan are available, to include, at minimum, the District's website, the President's Office, the Human Resource Services office, the District's libraries, and at each department office.

Chapter 8.

Training for Selection Committees

Any individual, whether or not an employee of the District, acting on behalf of the District with regard to recruitment and screening/selection of employees is subject to the equal employment opportunity requirements of Title 5, Section 53020(c) and the Plan. Any individual or organization, whether or not an employee of the District, who participates in the recruitment and screening/selection of personnel shall receive appropriate training on the following information:

- The requirements of the Title 5 regulations on equal employment opportunity (Sections 53000 et. seq.)
- The requirements of federal and state nondiscrimination laws
- The District's policies on nondiscrimination, recruitment, and hiring
- The requirements of the District's Plan
- Principles of diversity and cultural proficiency
- The value of a diverse workforce
- Recognizing and preventing bias

Persons serving in the above capacities will be required to receive training within the 12 months prior to service on a hiring process. This training is mandatory; individuals who have not received this training will not be allowed to serve on screening/selection committees. The Human Resource Services Department is responsible for providing the required training.

In addition, the District appoints a District Compliance Officers (DCOs) to each selection committee. DCOs are permanent employees that observe each selection process to verify that all selection practices, laws, and regulations were followed and all applicants are treated equitably. DCOs receive training prior to beginning their service in concepts similar to those of the selection committee members but relevant to their unique role.

Appendix B contains the District's current training materials related to the selection process.

Chapter 9.

Annual Written Notice to Community Organizations Regarding EEO Plan

The Equal Employment Opportunity Officer will provide annual written notice to appropriate community-based and professional organizations concerning the Plan for the purpose of seeking assistance from the community in identifying qualified applicants. The notice will inform these organizations of how they may obtain a copy of the Plan and shall request their assistance in identifying diverse, qualified candidates. The notice will include a summary of the Plan and the website address where the District advertises its job openings, as well as contact information for District employees and departments from which employment information may be obtained.

The District will actively seek to reach those institutions, organizations, and agencies that may serve as recruitment resources. A list of the organizations that will receive this notice is contained in Appendix C of this Plan and will be revised periodically as necessary.

Chapter 10.

Analysis of District Workforce, Applicant Pools, and Degree of Underrepresentation

The Human Resource Services Department will annually survey the District's workforce composition and shall monitor applicants for employment on an ongoing basis to evaluate the District's progress in implementing the Plan, to provide data needed for the reports required by this Plan, and to determine whether any monitored group is underrepresented. Monitored groups are males, females, American Indians/Alaskan Natives, Asians or Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Whites, and persons with disabilities.

For purposes of the survey and reports each applicant or employee will be afforded the opportunity to voluntarily identify her or his gender, ethnic group identification and, if applicable, her or his disability. Persons may designate as many ethnicities as they identify with, but shall be counted in only one ethnic group for reporting purposes. This information will be kept confidential and will be separated from the applications that are forwarded to the selection committees and hiring administrators.

The District will annually report to the Chancellor the results of its annual survey of employees. At least every three years the Plan will be reviewed and, if necessary, revised based on an analysis of the ethnic group identification, gender, and disability composition of existing staff and of those who have applied for employment in each of the following identified job categories:

- 1) Executive/Administrative/Managerial
- 2) Faculty
- 3) Professional Non-faculty
- 4) Secretarial/Clerical
- 5) Technical and Paraprofessional
- 6) Skilled Crafts
- 7) Service and Maintenance

Analysis of District Workforce. The District's demographic data for permanent employees as of Fall 2015 is presented on page 16. The District will survey all permanent employees during the three-year period of the Plan to validate ethnicity, gender, and disability data for the 2019 EEO Plan.

Palomar College Employee Demographic Data, Fall 2015

	Total	Male	Female	American Indian/ Alaskan Native	Black/ African-American	Asian/ Pacific Islander	Hispanic/ Latino	White	Unknown Ethnicity
Executive/Administrative/Managerial	42	24	18	1	0	2	11	26	2
Full-Time Faculty	251	117	134	3	6	19	34	187	2
Professional Non-faculty	40	16	24	0	2	8	5	22	3
Secretarial/Clerical	163	21	142	2	6	5	55	93	2
Technical and Paraprofessional	102	59	43	1	3	12	25	58	3
Skilled Crafts	21	21	0	2	0	0	9	10	0
Service and Maintenance	44	40	4	0	4	6	13	21	0

Ethnic diversity varies by job category, and is similar to the demographics reported in the EEO Plan 2013. Full-Time Faculty is the least diverse job category, with nearly 75% of employees in the category reporting White as their ethnicity. Approximately 40% or more of the employees in the other six job categories report that they belong to underrepresented ethnic groups, with about 53% of the employees in the Skilled Crafts and Service and Maintenance categories indicating they are of underrepresented ethnicities.

An analysis of the individual ethnic groups indicates that Hispanics/Latinos are represented in each of the job categories, while the other ethnic groups are not. American Indians/Alaskan Natives are included in the Executive/Administrative/Managerial, Full-Time Faculty, Secretarial/Clerical, Technical and Paraprofessional, and Skilled Crafts groups. Employees of Asian/Pacific Islander ethnic groups are included in all categories except Skilled Crafts. Black/African-American employees are included in all categories except Executive/Administrative/Managerial and Skilled Crafts.

In terms of gender diversity, four of the job categories are somewhat balanced in the number of female and male employees, while employees in the three other job categories are predominantly either female or male. The Executive/Administrative/Managerial, Full-Time Faculty, Professional Non-faculty, and Technical and Paraprofessional job categories are mostly balanced in the number of female and male employees. Approximately 87% of the employees in the Secretarial/Clerical category are female, 100% of the Skilled Crafts staff are male, and over 90% of the Service and Maintenance employees are male.

Analysis of Applicant Pools. The District collects employment applicant demographic data for completed recruitments each fiscal year commencing on July 1 and ending on June 30. This information consists of the ethnic, gender, and disability composition of applicant pools, interviewees, and hires. The applicant demographic data for the past three fiscal years of 2012-13, 2013-14, and 2014-15 is presented below on pages 18-20.

The total number of positions recruited varied widely over the timeframe studies, and in 2012-13 and 2014-15, the District did not hire in all categories. Overall, the total percentage of underrepresented hires hired in each job category each year was greater than one third of the District's total hires in 2012-13 and 2014-15 and over one quarter of all hires in 2013-14. Strong persistence of diversity was noted throughout the entire hiring process from application to hire when the number of underrepresented applicants is aggregated across all ethnic groups for most job categories. This persistence was also observed for most individual ethnic groups in most job categories each year.

Of the underrepresented ethnic groups, Hispanics/Latinos were hired in each job category over the three-year period, and each year. Asians/Pacific Islanders were also hired each year and in all job categories except Skilled Crafts and Service/Maintenance. Black/African-American applicants were hired in 2012-13 and 2013-14 in three categories: Full-Time Faculty, Professional Non-Faculty, and Skilled Crafts. Only one American Indian/Alaskan Native was hired in 2013-14, in the Faculty job category. These results are similar to prior years.

Gender demographics continue to follow the District's past trends. Hires in the Executive/Administrative/Managerial, Full-Time Faculty, Professional Non-Faculty, and Technical and Paraprofessional job categories was balanced across the three-year period. The Secretarial/Clerical category garnered mostly female hires, and the Skilled Crafts and Service and Maintenance categories resulted in all male hires.

Chapter 11.

Methods for Addressing Underrepresentation

The District's hiring practices, presented in Appendix D, consist of methods of fair and equitable selection that meet the requirements of Title 5, Sections 53021, 53022, 53023, and 53024. These methods are intended to safeguard against underrepresentation of monitored groups in all job categories and promote inclusion and diversity. The District reviews and updates these practices periodically to ensure continued efficacy and legal compliance. The District takes additional interventions as necessary on the basis of individual recruitments, or when patterns of inequity are apparent across multiple recruitments, to further address underrepresentation.

Pursuant to Title 5, Section 53003(c)(7), the District will perform an analysis of the degree to which monitored groups are underrepresented to the extent that data regarding potential job applicants is provided by the Chancellor's Office. At the time of this writing, no such data is available.

Chapter 12.

Reasonable Accommodations for Persons with Disabilities

Pursuant to Title 5, Section 53025, the District shall ensure that applicants and employees with disabilities receive reasonable accommodations consistent with the requirements of Government Code sections 11135 et seq. and 12940(m), Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aids such as readers, interpreters, and note takers. Accommodations may be requested through Human Resource Services.

Chapter 13.

Other Measures to Demonstrate Commitment to Diversity and EEO

Equal employment opportunity means that all qualified individuals have a fair and equitable opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. The District's goal is to ensure that equal employment opportunity exists at all levels of the institution and within all job categories. Ensuring equal employment opportunity also involves cultivating an environment that fosters cooperation, acceptance, democracy, and the free expression of ideas and is welcoming to individuals from all groups protected from discrimination under federal and state law.

The District recognizes that multiple approaches beyond the specific requirements of Title 5, Sections 53000 et. seq. are necessary to creating a broadly inclusive academic culture that ensures equal employment opportunity and the creation of a diverse workforce. Specific approaches that the District will implement to promote diversity and the goals of equal employment opportunity include, but are not limited, to the following approaches:

District-Wide Approaches.

1. The District's vision, mission, and values, included in Appendix E, emphasize the District's commitment to diversity and shapes the concepts of equitable and fair treatment of individuals in all aspects of District operations.
2. The District includes goals and objectives related to equal employment opportunity and diversity in its three-year, overarching Strategic Plans. Strategic Plan 2016 includes the following goal and objective related to the EEO Plan:

Goal 4: Human Resources and Professional Development - Recruit, hire, and support a diverse faculty and staff who are committed to student learning and achievement.

Objective 4.1: Assess the effectiveness of the faculty and staff hiring processes, and identify recommendations to strengthen the college's ability to attract and recruit diverse candidates for employment.

3. In 2015, the District adopted a Diversity Plan with the purpose of identifying and recommending the resources and tools necessary for the College to achieve its Governing Board and Strategic Plan 2016 goals of increasing faculty and staff diversity. The Diversity Plan is included in Appendix E.
4. Information about the District's EEO and non-discrimination policies and procedures is posted on the District's website and cross-referenced on a number of District web

pages so that the information is easily available to students, employees, job seekers, and the public. Appendix E provides links to these pages.

5. A variety of events are hosted by various District entities throughout the academic year that focus on diversity topics, including, but not limited to, the annual Unity in Diversity event hosted by the Equal Employment Opportunity Advisory Committee. Further information about current diversity-related activities can be found on the District website at www.palomar.edu.

Recruitment.

Current Approaches to Recruiting

1. The District advertises positions in a broad range of venues to attract large, diverse, well-qualified applicant pools. The District's current advertising resource list is presented in Appendix E.
2. Employment applicants are required to address their sensitivity to various facets of diversity found within a community college in their application materials and, in turn, requiring selection committees to assess each qualified applicant's understanding of diversity based on the provided information. The selection process training materials in Appendix B outline this requirement.
3. Selection committees are required to develop interview questions that assess candidates' understanding of diversity in relation to the specific position. The selection process training materials in Appendix B outline this requirement.
4. As stated previously in Chapter 8, District Compliance Officers are permanent employees that serve on selection committees as non-voting observers to ensure that all District selection procedures and federal and state EEO regulations are followed. The District Compliance Officer training materials are presented in Appendix B.
5. The District subscribes to the services offered by the Cooperative Organization for the Development of Selection Procedures (CODESP) in part to obtain assistance in developing content-valid interview materials and tests that comply with EEO regulations. CODESP's website address is www.codesp.com.

New Objectives for Recruiting

1. Working with the Faculty Senate, Instructional Planning Council, and the Policies and Procedures Committee, develop improved policies and procedures for recruiting and selecting new and replacement faculty positions that may result in a larger, more diverse pool of candidates. Some possibilities include:

- a. Explore the current Human Resource Services staffing structure and the possibility of hiring or assigning a current employee to serve as a faculty recruiter who would:
 - i. Develop targeted recruitment strategies as permissible by Education Code and Title 5 of the California Code of Regulations.
 - ii. Form relationships with graduate schools for purposes of recruiting potential applicants.
 - iii. Examine position announcements, selection committee membership, and interview processes to identify and strengthen possible barriers to hiring diverse individuals.
 - b. Recruit for positions in a timeframe consistent with the specific disciplines' typical statewide meetings or conferences. It is more likely candidates will be recruited at these conferences and should be directed to a current posting where they may submit an application, rather than waiting until sometimes months later when the position is posted with other faculty positions. A byproduct of this change would be that all faculty recruitments would not occur at the same time, lessening the load on faculty, administration, and Human Resource Services.
 - c. The District will determine methods to understand how position postings are perceived by potential job seekers and whether there are any unintended barriers to candidates securing interviews.
 - d. Provide travel reimbursement for first-level interviews to eligible candidates.
 - e. Provide an option to offer first-level interviews and teaching demonstrations via videoconference for out-of-state candidates.
2. Working with the District's current applicant tracking system vendor (PeopleAdmin), Human Resource Services will explore reports and processes for informing the District's administration and Governing Board of the aggregate demographic makeup of qualified applicant pools within the scope of applicable laws and regulations (Education Code; Title 5 sections 53000 et seq. of the California Code of Regulations). Sharing this aggregate information must be accompanied with instructions for the permissible use of the data and a reminder of the confidential nature of this information.
 3. Provide District-wide training on recruitment-related issues that includes, but is not limited to, opportunities such as:

- a. Basic diversity awareness training that provides an overview of the importance of diversity in hiring and the “Four A’s” (Awareness, Analysis, Action, and Assessment).
- b. Faculty-hosted campus forums on diversity to be presented to faculty, staff, administration, and Governing Board members.
- c. Strengthening the District’s selection committee training with regards to eliminating bias and embracing diversity during the interview process.
- d. Implicit bias in hiring decisions (facilitated by an outside consultant or District expert).
- e. Recruitment fairs that invite internal and external job seekers to learn about Palomar College’s application and interview process.

Employee Training on Other Topics.

- 1. Sexual harassment prevention training is available to all District employees, including those employees mandated to receive such training under California A.B. 1825. Information about the District’s current A.B. 1825 training is provided in Appendix E.
- 2. Trainings on other diversity, non-discrimination, and cultural proficiency topics are offered to all employees through the Human Resource Services Department and the District’s Professional Development program. Information about trainings provided by Human Resource Services is provided in Appendix E. The Professional Development program’s current list of course offerings may be viewed at www.palomar.edu/pd.

Other Practices.

The District shall seek to further enhance its commitment to diversity and equal employment opportunity through review of current practices and the development of additional ongoing measures. Such practices, when implemented, shall be included in future revisions of the Plan.

The District shall not prohibit any student from enrolling in any class or course on the basis of gender. Academic staff, including but not limited to counselors, instructors, and administrators shall not offer program guidance to students which differs on the basis of gender. Insofar as practicable, the District shall offer opportunities for participation in athletics equally to male and female students.

The District shall from time to time as necessary provide professional and staff development activities and training to promote understanding of diversity. The

Superintendent/President shall establish administrative procedures that ensure all members of the District community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

Students and Employees Notice

The Palomar Community College District's responsible officer shall make available to employees and students the District's unlawful discrimination policy and procedures. Faculty members, members of the administrative staff, and members of the classified service will be provided with a copy of the District's written policy on unlawful discrimination at the beginning of the first semester of the college year after the policy is adopted. All District employees will receive a copy of the unlawful discrimination policies and procedures during the first year of their employment. In years in which a substantive policy or procedural change has occurred all District employees will receive a copy of the revised policies and/or procedures. A copy of the District's written policy on unlawful discrimination will be available to students in the Student Affairs Office.

Authority: Ed. Code, § 66281.5; Cal. Code Regs., tit. 5, §§ 59324 and 59326. Reference: Cal. Code Regs., tit. 5, § 59300 et seq.; 34 C.F.R. § 106.8(b).

Retaliation

It is unlawful for anyone to retaliate against someone who files an unlawful discrimination complaint, who refers a matter for investigation or complaint, who participates in an investigation of a complaint, who represents or serves as an advocate for an alleged victim or alleged offender, or who otherwise furthers the principles of this unlawful discrimination policy.

Authority: 20 U.S.C. § 1681 et seq.; 34 C.F.R. § 106; Cal. Code Regs., tit. 5, § 59300 et seq.; Revised Sexual Harassment Guidance: Harassment of Students by School Employees, Other Students, or Third Parties, Title IX, Office for Civil Rights, January 19, 2001.

Responsible District Officer

The Palomar Community College District has identified the Assistant Superintendent/Vice President, Human Resource Services, to the State Chancellor's Office and to the public as the single District officer responsible for receiving all unlawful discrimination complaints filed pursuant to Title 5, section 59328, and for coordinating their

investigation. The actual investigation of complaints may be assigned to other staff or to outside persons or organizations under contract with the District. Such delegation procedures will be used whenever the officer designated to receive complaints is named in the complaint or is implicated by the allegations in the complaint.

Authority: Cal. Code Regs., tit. 5, § 59324; 34 C.F.R. § 106.8.

Procedure

Informal/Formal Complaint Procedure

When a person brings charges of unlawful discrimination to the attention of the District's responsible officer, that officer will:

- (1) Undertake efforts to informally resolve the charges;
- (2) Advise the complainant that he or she need not participate in informal resolution;
- (3) Notify the person bringing the charges of his or her right to file a formal complaint and explain the procedure for doing so;
- (4) Assure the complainant that he or she will not be required to confront or work out problems with the person accused of unlawful discrimination;
- (5) Advise the complainant that he or she may file a nonemployment-based complaint with the Office for Civil Rights of the U.S. Department of Education (OCR) where such a complaint is within that agency's jurisdiction.
- (6) If the complaint is employment-related, the complainant should also be advised that he or she may file a complaint with the U.S. Equal Employment Opportunity Commission (EEOC) and/or the California Department of Fair Employment and Housing (DFEH) where such a complaint is within that agency's jurisdiction.

Efforts at informal resolution need not include any investigation unless the responsible District officer determines that an investigation is warranted by the seriousness of the charges. Selecting an informal resolution does not extend the time limitations for filing a formal complaint. Efforts at informal resolution may continue after the filing of a formal written complaint, but after a complaint is filed an investigation is required to be conducted pursuant to Title 5, section 59334, and will be completed unless the matter is informally resolved and the complainant dismisses the complaint. Any efforts at informal resolution after the filing of a written complaint will not exceed the 90-day period for rendering the administrative determination pursuant to Title 5, section 59336.

In employment-related cases, if the complainant files with the Department of Fair Employment and Housing, a copy of that filing will be sent to the State Chancellor's Office requesting a determination of whether a further investigation under Title 5 is required. Unless the State Chancellor's Office determines that a separate investigation is required, the District will discontinue its investigation under Title 5 and the matter will be resolved through the Department of Fair Employment and Housing.

The District will make every effort to complete investigations and resolve complaints as quickly as possible. In discrimination complaints containing issues of academic freedom, the District must consult with a faculty member appointed by the Academic Senate with respect to contemporary practices and standards for course content and delivery. The District will provide for representation where required by law and may allow for representation for the accused and complainant in other circumstances on a case by case basis.

Authority: Cal. Code Regs., tit. 5, §§ 59327, 59328, 59334, 59336, and 59339; NLRB v. Weingarten, Inc. (1975) 420 U.S. 251.

Filing of Formal Written Complaint

If a complainant decides to file a formal written unlawful discrimination complaint against the District, he or she must file the complaint on a form prescribed by the State Chancellor. These approved forms are available from the District and also at the State Chancellor's website, as follows:

The completed form must be filed with the District representative or mailed directly to the State Chancellor's Office of the California Community Colleges.

Once a complaint is filed, the individual(s) accused of engaging in prohibited discriminatory conduct should be advised of that filing and the general nature of the complaint. This should occur as soon as possible and appropriate under the circumstances. The District will also advise the accused that an assessment of the accuracy of the allegations has not yet been made, that the complaint will be investigated, that the accused will be provided an opportunity to present his/her side of the matter, and that any conduct that could be viewed as retaliatory against the complainant or any witnesses must be avoided.

Authority: Cal. Code Regs., tit. 5, §§ 59311 and 59328.

Threshold Requirements Prior to Investigation of a Formal Written Complaint

When a formal written complaint is filed it will be reviewed to determine if the complaint meets the following requirements:

- The complaint must be filed on a form prescribed by the State Chancellor's Office.
- The complaint must allege unlawful discrimination prohibited under Title 5, section 59300.
- The complaint must be filed by one who alleges that he or she has personally suffered unlawful discrimination or by one who has learned of such unlawful discrimination in his or her official capacity as a faculty member, staff member, or administrator.
- In any complaint not involving employment, the complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the specific incident or incidents of alleged unlawful discrimination.
- In any complaint alleging discrimination in employment, the complaint shall be filed within 180 days of the date the alleged unlawful discrimination occurred, except that this period will be extended by no more than 90 days following the expiration of that 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the expiration of 180 days.

If the complaint is defective it will be immediately returned to the complainant with a complete explanation of why an investigation could not be initiated under Title 5, California Code of Regulations, section 59300 et seq. Additional information about this initial review of complaints can be found in the Guidelines for Processing Formal Title 5 Unlawful Discrimination Complaints prepared by the State Chancellor's Office.

Authority: Cal. Code Regs., tit. 5, § 59328.

Notice to State Chancellor or District

A copy of all complaints filed in accordance with the Title 5 regulations will be forwarded to the State Chancellor's Office immediately upon receipt. Similarly, when the State Chancellor's Office receives a complaint a copy will be forwarded to the District.

Authority: Cal. Code Regs., tit. 5, § 59330.

Confidentiality of the Process

Investigative processes can best be conducted within a confidential climate, and the District does not reveal information about such matters except as necessary to fulfill its legal obligations. However, potential complainants are sometimes reluctant to pursue a complaint if their names will be revealed.

The inability to reveal the name of a complainant or facts that are likely to reveal the identity of the complainant can severely limit the ability of the District to respond. Complainants must also recognize that persons who are accused of wrongdoing have a right to present their side of the matter, and this right may be jeopardized if the

District is prohibited from revealing the name of the complainant or facts that are likely to disclose the identity of the complainant.

If a complainant insists that his or her name not be revealed, the responsible officer should take all reasonable steps to investigate and respond to the complaint consistent with the complainant's request as long as doing so does not jeopardize the rights of other students or employees.

It is also important that complainants and witnesses understand the possibility that they may be charged with allegations of defamation if they circulate the charges outside of the District's process. In general, persons who are participating in a District investigative or disciplinary process that is related to a charge of discrimination are protected from tort claims such as defamation. However, persons who make allegations outside of these processes or who discuss their claims with persons outside of the process may expose themselves to tort charges. Complainants, witnesses, and those accused of discrimination will all be asked to sign a confidentiality acknowledgement statement.

Where an investigation reveals the need for disciplinary action, the complainant may wish to have information about what disciplinary actions the District took. However, the privacy rights of the persons involved often prevent the District from providing such information. In student disciplinary actions for sexual assault/physical abuse charges, Education Code, section 76234 provides that the victim shall be informed of the disciplinary action, but that the victim must keep the information confidential. Disciplinary actions taken against employees are generally considered confidential.

Administrative Determination

Within 90 days of receiving an unlawful discrimination complaint filed under Title 5, sections 59300 et seq., the responsible District officer will complete the investigation and forward a copy of the investigative report to the State Chancellor, a copy or summary of the report to the complainant, and written notice setting forth all the following to both the complainant and the State Chancellor:

- (a) The determination of the chief executive officer or his/her designee as to whether there is probable cause to believe discrimination occurred with respect to each allegation in the complaint;
- (b) a description of actions taken, if any, to prevent similar problems from occurring in the future;
- (c) the proposed resolution of the complaint; and
- (d) the complainant's right to appeal to the District governing board and the State Chancellor.

The Palomar Community College District recognizes the importance of and is therefore committed to completing investigations and resolving complaints as quickly as possible, consistent with the requirements for a thorough investigation.

Complainant's Appeal Rights

Complainants have appeal rights that they may exercise if they are not satisfied with the results of the District's administrative determination. At the time the administrative determination and summary is mailed to the complainant, the responsible District officer or his/her designee shall notify the complainant of his or her appeal rights as follows:

- First level of appeal: The complainant has the right to file an appeal to the District's governing board within 15 days from the date of the administrative determination. The District's governing board will review the original complaint, the investigative report, the administrative determination, and the appeal.
- The District's governing board will issue a final District decision in the matter within 45 days after receiving the appeal. Alternatively, the District's governing board may elect to take no action within 45 days, in

which case the original decision in the administrative determination will be deemed to be affirmed and shall become the final District decision in the matter. A copy of the final decision rendered by the District's governing board will be forwarded to the complainant and to the State Chancellor's Office.

- Second level of appeal: The complainant has the right to file an appeal with the California Community College Chancellor's Office in any case not involving employment-related discrimination within 30 days from the date that the governing board issues the final District decision or permits the administrative determination to become final by taking no action within 45 days. The appeal must be accompanied by a copy of the decision of the governing board or evidence showing the date on which the complainant filed an appeal with the governing board, and a statement under penalty of perjury that no response was received from the governing board within 45 days from that date.

Complainants must submit all appeals in writing.

Authority: Cal. Code Regs., tit. 5, §§ 59338 and 59339.

Forward to State Chancellor

Within 150 days of receiving a complaint, the responsible District officer will forward the following to the State Chancellor:

- A copy of the final District decision rendered by the governing board or a statement indicating the date on which the administrative determination became final as a result of taking no action on the appeal within 45 days.
- A copy of the notice of appeal rights the District sent the complainant.
- Any other information the State Chancellor may require.

Authority: Cal. Code Regs., tit. 5, §§ 59338 and 59340.

Extensions

If for reasons beyond its control, the District is unable to comply with the 90-day or 150-day deadlines specified above for submission of materials to the complainant and the State Chancellor's Office, the responsible District officer will file a written request that the State Chancellor grant an extension of the deadline. The request will be submitted no later than 10 days prior to the expiration of the deadlines established by Title 5 in sections 59336 and/or 59340 and will set forth the reasons for the request and the date by which the District expects to be able to submit the required materials.

A copy of the request for an extension will be sent to the complainant, who may file written objections with the State Chancellor within 5 days of receipt.

The State Chancellor may grant the request unless delay would be prejudicial to the complainant. If an extension of the 90-day deadline is granted by the State Chancellor the 150-day deadline is automatically extended by an equal amount.

Authority: Cal. Code Regs., tit. 5, § 59342.

Record Retention

Unlawful discrimination records that are part of an employee's employment records may be classified as Class 1 – Permanent records and retained indefinitely or microfilmed in accordance with Title 5, California Code of Regulations, Section 59022. Unlawful discrimination records of a student that are deemed worthy of preservation but not classified as Class-1 Permanent may be classified as Class 2 – Optional records or as Class 3 – Disposable records, to be retained for a period of three years.

Government Code Section 12950.1;
Title VII of the Civil Rights Act of 1964, 42 U.S.C.A. Section 2000e

All forms of harassment are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence. It shall also be free of other unlawful harassment, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any person, or because he/she is perceived to have one or more of the foregoing characteristics.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Academic Freedom

This policy works with BP 4030 titled Academic Freedom and is not intended to inhibit or interfere with freedom of expression and freedom of inquiry within the framework of responsibility. It is understood that staff members exercising their rights under Academic Freedom will accept responsibility for both the substance and the manner of their messages.

Any student or employee who believes that he/she has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3435 titled Discrimination and Harassment Investigations and Training. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation.

To this end, the Superintendent/President shall ensure that the District undertakes education and training activities to counter discrimination and to prevent, minimize, and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Superintendent/President shall establish procedures as defined by law that define harassment on campus. The Superintendent/President shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination and procedures for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents. The Vice President, Human Resource Services is the responsible District officer charged with receiving complaints of harassment and coordinating the investigation.

This policy and related written procedures (including the procedure for making complaints) shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution. They shall be available for students and employees in all administrative offices.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

Title 5 Sections 59320 et seq.;
Title IX, Education Amendments of 1972;
Title VII of the Civil Rights Act of 1964, 42 U.S.C.A. Section 2000e

The District is committed to providing an academic and work environment free of unlawful harassment. This procedure defines sexual harassment and other forms of harassment on campus, and in conjunction with associated administrative procedure AP 3435 titled Discrimination and Harassment Investigations and Training, sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student within the District.

This procedure and the related policy protects students and employees in connection with all academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities, a District bus, or at a class or training program sponsored by the District at another location.

Academic Freedom

This policy works with BP 4030 titled Academic Freedom and is not intended to inhibit or interfere with freedom of expression and freedom of inquiry within the framework of responsibility. It is understood that all employees exercising their rights under Academic Freedom will accept responsibility for both the substance and the manner of their expression.

Definitions

- **General Harassment** -- Harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, gender, gender identity, gender expression, sex, age, or sexual orientation of any person, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment.
- **Sexual Harassment** -- In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of a sexual nature when:
 - submission to the conduct is made a term or condition of an individual's employment, academic status, or progress

- submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual
- the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment
- submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college

This definition encompasses two kinds of sexual harassment:

- "Quid pro quo" sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct
- "Hostile environment" sexual harassment occurs when unwelcome conduct based on a person's gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single or isolated incident of sexual harassment may be sufficient to create a hostile environment if it is severe, i.e. a sexual assault.
- Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

Consensual Relationships

Romantic or sexual relationships between supervisors and employees, or between administrators, faculty or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty, or staff member must evaluate the student's or employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of an instructor over a student. Such action by the

District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

Sexual Harassment Complaint Procedure

Original: March 10, 2000

Revised: July 3, 2014

A. Introduction

1. Applicability

This procedure applies to students, employees and applicants for employment who, either allege that they have personally suffered sexual harassment discrimination or retaliation, or to an individual who learned of the alleged conduct in his or her official capacity. Any oral or written complaint of sexual harassment discrimination or retaliation must be made to one of the individuals identified in paragraph B below within one year of the date of the alleged harassment or retaliation, or within one year of the date on which the Complainant knew or should have known of the facts underlying the alleged unlawful discrimination.

2. Definitions

Complainant: A student, employee or applicant for employment who believes that they have been personally sexually harassed, or an individual who learned of it in his or her official capacity.

Respondent: The individual who allegedly sexually harassed or took reprisals upon the Complainant, or an individual who participated in the complaint procedure.

Complaint: A written statement which contains as much detail as possible as to the circumstances surrounding the alleged harassment including date(s), time(s), description of incident(s), witnesses and the desired remedy.

Informal Complaint: An unwritten complaint, which the Complainant has verbally provided to a District supervisor or management employee and which contains the information described in the Complaint definition above.

Days: Days, as used in this procedure, mean days in which the District is open for business.

B. Reporting Unwelcome Conduct

Sexual harassment is unlawful only when it is conduct which is not solicited, welcome or voluntarily engaged in or participated in. Therefore, where possible or practicable, an individual who believes that such unwelcome conduct constitutes sexual harassment should clearly inform the perpetrator that such conduct is not wanted, not appropriate and should cease. Where it is not possible or practicable to do so, or if the harassment continues after clear notice to the alleged harasser that the conduct is unwelcome, employees, applicants and students should take the action set forth below.

Employees should immediately inform their supervisor or the Responsible Officer. If it is not practicable to inform the immediate supervisor, or that individual is the alleged harasser, employees shall promptly report any charges of discrimination to the next higher level supervisor or the Responsible Officer. Immediate supervisors who learn of such a complaint shall immediately report it to the Responsible Officer or President as appropriate. All charges shall be reported to the District Responsible Officer.

Students should immediately report any allegations of sexual harassment to the Director of Student Affairs, the Assistant Superintendent/Vice President of Student Services, or, if not available, to the Responsible Officer. Any such report shall be promptly reported to the Responsible Officer. Any District employee to whom an oral or written harassment complaint is reported shall immediately notify the Responsible Officer.

C. Informal Complaint Procedure

Upon the receipt of notice of the filing of a timely, within one (1) year of the date of the alleged harassment or retaliation, written or oral harassment complaint, the District Responsible Officer shall:

1. Clarify the specific nature of the allegations whether written or oral, and attempt to informally resolve the complaint.
2. Advise the individual that he or she need not participate in any informal efforts to resolve the complaint, and that he or she may file a complaint with the Office of Civil Rights of the U.S. Department of Education (OCR), or the Chancellor for California Community Colleges.
3. Take appropriate action to assist in preventing conduct by the alleged harasser or others which may constitute or appear to constitute reprisal for filing the complaint.
4. Within ten (10) days of the receipt of the complaint, provide a copy of this Policy to both the Respondent and the Complainant; provide to the Respondent written notice of the substance of the allegations of the complaint where oral, a copy of the complaint where written, and request that the Respondent provide a written response to the written complaint or to the summary of the allegations provided within ten (10) days. Failure or refusal of the individual making the complaint to provide requested information regarding the allegations, other facts or circumstances surrounding the charges, or necessary for the continued processing of the complaint, or to cooperate in the complaint procedure shall result in dismissal of the complaint without investigation or any further action.
5. Within ten (10) days of receipt of the statement of the Respondent, or if no statement is submitted within ten (10) days of the notice to the Respondent in paragraph 4 above, the Responsible Officer shall provide the Respondent the opportunity to discuss the allegations of the complaint and any possible resolution of them. If within the above ten (10) day period no statement is submitted, the Responsible Officer shall review what information is available to determine whether the allegations are sufficiently serious to warrant the initiation of a formal complaint.
6. If the matter is resolved, the Responsible Officer will put the agreed upon resolution in writing and shall meet individually with both parties who will review and sign an agreement which shall include the specific nature of the allegations and all of the terms of the resolution.
7. If the parties agree that there has been no sexual harassment and are satisfied with the resolution, the written agreement shall state these facts, and that the parties agree. The documents and the original of the agreement shall be retained by the Responsible Officer for a period of three (3) years, after which time the documents and the agreement will be shredded. The documents and the agreement will not be filed in the personnel files of either party.
8. If the parties agree that sexual harassment has occurred, but are satisfied with the resolution, then the agreement, specifically describing the conduct alleged, the resolution and the complaint shall be placed in a sealed envelope in the personnel file of the Respondent marked to the effect that it may be opened only at the direction of the President, or if otherwise required by law.
9. If the Complainant is not satisfied with the resolution of the complaint, or if the Responsible Officer determines that an informal resolution either cannot be reached or cannot be reached within thirty (30) days of the submission of the complaint at the informal level, the Responsible Officer will provide written notice of that determination to the parties and of the Complainant's right to file a formal complaint with the Responsible Officer under this Policy and/or with any federal or state enforcement agency such as the Office of Civil Rights, the Equal Employment Opportunity Commission, or the Department of Fair Employment and Housing.
10. Even if the Complainant is satisfied with the resolution of the complaint, or agrees that no sexual harassment or retaliation occurred, the Responsible Officer shall determine, subject to the approval of the President, whether the alleged conduct is of such a serious nature under all of the facts and circumstances that, if true, corrective action in addition to that agreed upon by the parties, if any, and/or disciplinary action would be appropriate. In such cases, the Responsible Officer will direct the formal investigation of the Complaint as provided in paragraph D below, provide a copy of the report of the investigation to the Respondent for review, comment and submission of any statement or evidence not previously provided within the time required to submit a statement in response to documents to be placed in the personnel file. The Responsible Officer shall submit such report and statement to the President for appropriate disposition.

D. Formal Complaint Procedure

1. Except as provided in paragraph C.10. above, the Complainant shall initiate the formal complaint procedure by filing a complaint in writing after completing the informal resolution process. A formal

complaint form is attached to this Procedure.

2. Upon receipt of the formal complaint, the Responsible Officer, or trained designee, shall investigate the complaint. Any designated investigator is required to notify the Responsible Officer immediately when it comes to his/her attention that such member is a witness to allegations, or for any other reason may not be able to fairly or impartially investigate the allegations.
3. The Responsible Officer or designee will examine the complaint, and will interview the Respondent and the Complainant, with their consent, and any other witnesses deemed necessary to make a determination as to whether the conduct alleged occurred as stated in the complaint, or if not, what conduct did occur. If sexual harassment did occur, the Responsible Officer will determine the nature and seriousness of the conduct in light of all of the surrounding facts and circumstances. The above determinations and the bases for such determinations shall be included in a written report drafted or submitted to the Responsible Officer for review within eighty (80) days of the filing of the formal written complaint. The Responsible Officer shall review the report for sufficiency and, if found to be sufficient, will review the report with the appropriate site manager and President for recommended action.
4. Within ninety (90) days of receiving the formal written complaint, the Responsible Officer shall provide the Complainant with:
 - a) A copy of the report of the District's investigation or a summary of the investigation;
 - b) A written notice of the administrative decision setting forth the determination of the President, or his or her designee, as to whether sexual harassment did or did not occur with respect to each allegation in the complaint; a description of action taken, if any, to prevent similar problems from occurring in the future; the proposed resolution of the complaint; notice of the Complainant's right to submit a written appeal to the District Governing Board within fifteen (15) days of receipt of the report; and to submit an appeal to the Chancellor of the California Community Colleges. The results of the investigation and the determination as to whether harassment occurred shall also be reported to the Respondent and to the Respondent's supervisor. The Responsible Officer shall be responsible for preparing and submitting the above notice.

E. Appeal to the Governing Board

If the Complainant timely files a written appeal to the Governing Board, the Board shall review the original complaint, the investigation report, the administrative decision, and the appeal. The Governing Board shall issue a final decision within forty-five (45) days after receiving the appeal, or the administrative decision will become final automatically upon the expiration of the forty-five (45) day period. The Complainant and the Respondent shall be notified in writing of the Governing Board's decision, or that the administrative decision has become final by operation of law.

F. Further Appeal

Within thirty (30) days after the Governing Board issues its final decision or the administrative decision otherwise becomes final, the Complainant shall have the right to file a written appeal with the Chancellor of Community Colleges. If the complaint involves allegations of employment related discrimination, the Complainant may, at any time, also file a complaint with the Department of Fair Employment and Housing or the Equal Employment Opportunity Commission instead of, or in addition to, filing a petition for review with the Chancellor of Community Colleges within thirty (30) days after the Governing Board issues a final decision or permits the administrative decision to become final. Any complaint filed with the Chancellor of Community Colleges must be filed within one (1) year of the date of the alleged unlawful discrimination or within one (1) year of the date on which the Complainant knew or should have known of the facts underlying the allegation of unlawful discrimination.

G. Reports

The District Responsible Officer shall make any required reports to the Chancellor of California Community Colleges.

 - All committee members and the Compliance Officer will receive a special login (username and password) to access applications in PeopleAdmin.
- Applications must be screened individually and confidentially by all committee members.

 - All interviewees must be those the committee is seriously considering based on the outcome of the screening process.

District Compliance Officer's Role During Meeting to Select Interviewees

- Monitor the discussion to ensure that committee members consider job-related qualifications that match the screening criteria only.
- Ensure inappropriate information is not discussed or considered.

4 5 **Faculty Hiring Procedures**

6 The Faculty of Palomar College, in establishing the procedures for the hiring of full and part-
7 time faculty, is guided by the following principles:

8
9 **The Faculty's role in Shared Governance:** Pursuant to rules adopted by the Board of
10 Governors of the California Community Colleges, the Palomar College Governing Board
11 elects to rely primarily on the advice and judgment of Faculty Senate on academic and
12 professional matters. Among these matters are "faculty hiring policy, faculty hiring criteria, and
13 faculty hiring procedures," specifically noted as number 11 in the "10+1+1."

14
15 **Commitment to Diversity** – The faculty of Palomar College is committed to the goal of
16 diversity in hiring. To that end, while the faculty maintains discipline/subject expertise as a first
17 priority, the elements related to hiring should reflect the faculty's commitment to building
18 diversity as described in AP 7120:

19 In all phases of recruitment and hiring, equal opportunity is afforded to all employees
20 and qualified applicants for employment without discrimination on bases including but
21 not limited to: ethnic group identification, race, color, national origin, religion, socio-
22 economic status, age, gender, gender identity, gender expression, sex, physical or
23 mental disability, sexual orientation, political affiliation, transgender, marital status,
24 veteran status, medical conditions, union membership or on the basis of these
25 perceived characteristics, or based on association with a person or group with one or
26 more of these actual or perceived characteristics. Applicants not possessing specific
27 qualifications as outlined in the job announcement who feel that their background and
28 experience is equivalent to the minimum requirements are encouraged to apply.

29
30 In defining diversity with a broad list of groups and individual characteristics, the Faculty
31 recognizes the complex dynamics of the goal of diversity, acknowledging that while our
32 differences may be evident in ways that are sometimes overt and obvious, they often become
33 evident in language, tone, and attitude. We are committed to an understanding of diversity that
34 acknowledges both visible and invisible registers of difference, and we embrace the goal of a
35 more diverse faculty in all elements of recruitment and hiring.

36
37 **The goal of the 75/25 Ratio:** In 1988, the California Legislature in section 70 of AB1725 (the
38 fundamental California Community College reform bill) found and declared: "Because the
39 quality, quantity and composition of full-time faculty have the most immediate and direct impact
40 on the quality of instruction, overall reform cannot succeed without sufficient numbers of full-
41 time faculty."

Based on this declaration, the reform bill established the current system goal regarding full-time faculty standards: “the Legislature wishes to recognize and make efforts to address longstanding policy of the Board of Governors that at least 75 percent of the hours of credit instruction in the California Community Colleges, as a system, should be taught by full-time instructors.”

The Faculty of Palomar College has developed the following procedures for the hiring of full and part-time faculty. These procedures are generally in line with the College’s Administrative Procedure (AP) 7120. Where they diverge from that procedure, they are specifically recommended for faculty hiring. The Faculty’s intention is to maintain the standard of excellence which has been the hallmark of the Palomar College Faculty and to encourage the principles noted above.

FULL TIME FACULTY

These procedures are established for the regular, routine process for hiring full-time faculty. The Faculty recognizes the central role of the Human Resource Services (HRS) in the success of these procedures. In every stage of the process, the goal is collaboration in the service of high standards and the growth of a first-rate, diverse faculty.

A. IDENTIFICATION OF POSITIONS

1. Full-time faculty positions are requested by departments or disciplines and then are prioritized by a subcommittee of the Instructional Planning Council (IPC), utilizing the procedure developed by IPC.

2. Full-time positions for counseling and library faculty are identified through a specific formula developed by counselors, librarians, and the District.

3. As early as possible, IPC will publish the priority list of positions to be hired, ideally by May 1.

4. With the goal of establishing the strongest and most diverse pools of candidates, a preliminary number of positions to be hired will be determined by the Superintendent/President and submitted to the Governing Board as early as possible, ideally by August 15.

5. In the interest of a more efficient process, multiple positions for specific departments may be considered where appropriate. Departments which are designated for multiple positions may forfeit priority consideration in the one to three years following.

6. Departments may begin work on preliminary preparations relating to announcements, etc. in order to act as quickly as possible when positions are approved by the Governing Board. These steps will be contingent upon HRS requirements relating to training.

B. ANNOUNCEMENTS AND RECRUITMENT

A crucial element of these procedures is the goal of flexibility in the steps outlined below. After the positions to be hired are identified and approved, departments will work with HRS to establish appropriate timelines. Considerations relating to discipline expertise and diversity should guide the establishment of timelines between the notification of positions to be hired and the expected hire date.

1. Announcements

a. The position announcement is developed through a collaborative process involving the department/program, appropriate administrators, and Human Resource Services (HRS).

b. Human Resource Services must approve all announcements prior to posting.

c. Announcements must receive final authorization by the Hiring Committee Chair, Department Chair / Program Director (or designee), Dean of the appropriate division, and the appropriate Vice President.

2. Components: The position announcement must include the following:

a. A description of the position duties, responsibilities, salary, benefits, and terms of employment (including classification, working hours, conditions).

b. Minimum qualifications, as determined by the State Academic Senate and the Board of Governors in accordance with Education Code Section 87356 et seq.

c. Preferred qualifications (when listed) that are job-related and consistent with the demands of the discipline/subject area.

d. A provision for determination of equivalency, if applicable.

e. Depending on employment unit, a statement regarding required participation in shared governance

f. Additional language required for compliance with federal, state, and District regulations (e.g., Equal Opportunity Employer notice)

134 **g.** Any application procedures specific to the posted position.

135
136 **h.** A statement in accordance with Title 5 that requires that all applicants be “sensitive to
137 and have an understanding of the diverse academic, socioeconomic, cultural, disability,
138 gender identity, sexual orientation, and ethnic backgrounds of community college
139 students, faculty, and staff.” Departments/programs will require applicants to explain or
140 submit written materials that provide evidence of such understanding.

141
142 **i.** Legal qualifiers established by Human Resource Services to comply with federal,
143 state, and District regulations.

144 145 146 **3. Advertising and Recruitment**

147
148 **a.** HRS provides assistance including the identification of appropriate advertising
149 media. The Department Chair/Director or designee will confer with HRS to
150 establish venues outside the standard advertising methods and sites.

151
152 **b.** Venues additional to the standard will be at the expense of the
153 department/division

154 **c.** Job announcements are advertised through various organizations (e.g., the
155 California Community Colleges Registry) and through various online sources.

156
157 **d.** Transfer Opportunities: For eligible positions, notice of transfer opportunities will be
158 distributed internally to provide current employees notice of such positions, subject to
159 provisions of applicable collective bargaining agreements or employee handbooks.

160 161 162 163 164 **C. APPLICATIONS**

165
166 **1.** All applications shall be submitted to HRS.

167
168 **2.** Applications for open positions are available online through the District website.

169
170 **3.** Applicants must establish a digital profile (individual user account) in the online system in
171 order to be considered. Applicants may visit HRS for assistance with this first step.

172
173 **4.** For assistance with any element of the process, applicants should contact HRS directly.

174
175 **5.** The application will contain the following basic components:

176
177 **a.** Application form inclusive of educational and professional histories, skills and
178 qualifications and references

180 **b.** Conviction history.

181
182 **c.** Confidential data for federal and state collection and reporting purposes.

183
184
185 **6.** HRS will accept application materials until the position is closed.

186
187 **7.** Letters of recommendation will be accepted for one week after the position is closed.

188
189
190
191
192 **D. SCREENING**

193 **1. Pre-Screening**

194
195 **a.** HRS will pre-screen all applications for completeness and evidence of minimum
196 qualifications prior to forwarding applications to the Selection Committee.

197
198 **b.** Completed applications which do not meet minimum qualifications but which have a
199 completed equivalency form will be forwarded to the Selection Committee for review.

200
201 **c.** All applicants with completed applications who meet stated minimum qualifications
202 will be forwarded to the Selection Committee.

203
204 **d.** Hiring Committee Chairs will be given the option to have HRS contact applicants with
205 incomplete applications to obtain missing materials (i.e. missing transcripts). This
206 includes applicants who do not meet the minimum qualifications and did not complete
207 an equivalency form. Applicants will be given one week to complete their application
208 once notified by HRS.

209
210 **e.** Hiring Committee Chairs will have access to all applications for the purpose of
211 review.

212
213
214 **2. Selection Committee Screening**

215
216 Screening criteria and interview questions must be approved by HRS before Selection
217 Committee members receive applications. Screening criteria and interview questions are
218 developed from the qualifications and requirements listed in the position announcement.

219
220 **E. COMMITTEE FORMATION**

221
222 **1. Verification of Committee Composition:** HRS verifies compliance of Selection
223 Committee membership with applicable Board policies and procedures.

224
225 **2. Diversity:** Per Title 5, 53024.e, "Whenever possible, screening committees shall include a
226 diverse membership which will bring a variety of perspectives to the assessment of applicant

qualifications.” The Selection/Joint Selection Committee will maintain discipline expertise as the primary value in committee formation and will make every reasonable effort to include representation that will advance the Faculty’s commitment to diversity as described in the guiding principles at the start of this document. In defining diversity with a broad list of groups and individual characteristics, the Faculty recognizes the complex dynamics of the goal of diversity, acknowledging that while our differences may be evident in ways that are sometimes overt and obvious, they often become evident in language, tone, and attitude. We are committed to an understanding of diversity that acknowledges both visible and invisible registers of difference, and we embrace the goal of a more diverse faculty in all elements of recruitment and hiring.

3. Confidentiality: Each participant in the hiring process is responsible for maintaining the confidentiality of all aspects of the selection process, including written materials, oral discussions and any other information that relates to the selection process. Such information may be shared only with members of the Selection/Joint Selection Committee, HRS, and the administrators involved. Confidentiality must be maintained permanently.

6. The Compliance Officer’s Role: It is the responsibility of the Compliance Officer to observe and monitor the hiring process to ensure complete fairness and consistency for each applicant and to serve as a non-voting resource person to the selection committee(s). Palomar College –Increasing Faculty & Staff Diversity

Introduction

The purpose of this plan is to identify and recommend the resources and tools necessary for the College to achieve the Board and Strategic Plan 2016 goal of increasing faculty and staff diversity.

Goals and Objectives

In the 2014-15 Governing Board Goals, the Board established a goal to improve the diversity of its faculty and staff. In Strategic Plan 2016, the College established a corresponding Goal 4 – “Recruit, hire, and support a diverse faculty and staff who are committed to student learning and achievement”, and Objective 4.2 – “Assess the effectiveness of the faculty and staff hiring processes, and identify recommendations to strengthen the College’s ability to attract and recruit diverse candidates for employment.” This plan addresses this goal and objective.

Process

The College requested the Faculty Senate to 1) review the full-time faculty hiring process, and 2) to establish a uniform part-time faculty hiring process, to ensure that diversity is fostered and embraced throughout each recruitment.

The Equal Employment Opportunity Advisory Committee was charged with identifying opportunities for recruitment and retention process improvements that support achieving the College’s SP 2016 Goal 4 and Objective 4.2. The Committee established an ongoing informal discussion group of faculty and administrators to explore these opportunities. The discussion group met multiple times, reviewed the practices of other colleges and universities, and identified opportunities for improvement.

The College reviewed its online application system, identified improvements, and implemented them. For faculty recruitments, the College changed internal procedures to provide all completed applications to faculty 1st level screening committees to improve faculty recruitment inclusivity. With the support of the Senate and administration, supporting documents required for a complete application were reduced to cover letter, resume, and unofficial transcripts.

Palomar College –Increasing Faculty & Staff Diversity

Action Plan

In addition to the actions noted in Process, the EEO Advisory Committee and its discussion group has made the following supportive recommendations.

- Incorporate into all hiring procedures, the Title 5, Section 53024(e) requirement that “whenever possible, screening committees shall include a diverse membership which will bring a variety of perspectives to the assessment of applicant qualifications.” This membership should be voting membership.
- Comprehensively improve the College’s web content to reflect diversity in faculty, staff, and students.
- Emphasize the importance of diversity in all hiring committee training.
- Establish the District compliance officer role in all classified staff hiring committees.
- Establish and staff a position in Human Resource Services that specifically and directly supports the College’s diversity and equal employment opportunity goals, and implements improvement recommendations.
- Rename and repurpose the Equal Employment Opportunity Advisory Committee to the Diversity and Equal Employment Opportunity Committee, and elevate its role to a full shared governance committee reporting through the Human Resource Services Planning Council to the Strategic Planning Council.
- Expand diversity events from a single annual event, to add additional diversity workshops for faculty and staff in each academic semester. Consider cultural simulation games to help existing faculty and staff gain a greater understanding and appreciation of the importance of diversity to the College.
- Design and administer a cultural climate survey for faculty, staff, and students to better assess further improvement opportunities.
- Reach out to regional graduate schools and educate prospective diverse graduate students on Palomar College employment opportunities.
- Increase awareness that, to prepare students for a globally diverse society, the College must understand and appreciate diversity and infuse it into the student,

faculty, and staff populations, the curriculum, and into the fabric of the institution.

- Broadly market College employment opportunities to diverse communities.

Progress

1. In May 2015, the College reported to the Board on diversity performance and areas to improve.
2. The Faculty Senate has drafted revisions to the full-time hiring procedure, and is actively discussing a uniform part-time faculty hiring procedure, both of which add diverse voting members to the screening committee's composition.
3. The EEO Advisory Committee and Diversity Discussion Group reviewed a variety of materials from colleges and universities, and identified the specific areas for improvement noted above.
4. The EEO Advisory Committee agrees that the committee should be renamed and its role elevated to that of full shared governance stature.
5. At the College's request, a marketing plan has been drafted, and funding budgeted for marketing College employment opportunities to diverse communities.
6. Initial conversations have taken place with other institutions that have administered or are considering using a cultural climate survey. The College has budgeted the development of the survey.
