PFF Counterproposal #2 8/5/2022 ARTICLE 16 - BENEFITS

- 16.1 The District will cover the costs for the lowest paid Health Maintenance Organization (“HMO”) for the current medical plans offered. The District shall maintain the benefits programs (in terms of full-time service levels: Anthem HMO, Anthem PPO 100% coverage, Anthem PPO 80% coverage, Kaiser HDHP, Kaiser HMO: \$0 office visit plan, and Delta Dental HMO) in place as of October 1, 2020. The details of employee contributions/incentives/copays for these plans is **are outlined-detailed** in 16.1.1. These benefit programs include medical, dental, vision, long term care, life insurance and long-term disability. Any increases in costs to maintain the current level of service (as of October 1, 2020) shall be borne by the District throughout the duration of the Agreement. The parties agree to work collaboratively and in a timely manner to control future health care costs and consider plan changes that are necessary to control these costs.

Double coverage occurs when two employees who are in the same household can select a District offered medical plan. Effective 2020-21, employees who are double covered by the District shall make medical plan selections as follows:

- a. Single Plan/Single Plan
- b. Single Plan/2-Party coverage (i.e. employee and one (1) dependent)
- c. Single Plan/Family coverage (i.e. employee and two (2) or more dependents)
- d. Employees “grandfathered” into the opt-out incentive plan due to the transition from Fringe Benefits Consortium will be required to have one (1) spouse select the most appropriate plan to cover the employee and/or dependents, in order for the other spouse to continue to receive the current “opt out” incentive.

Employees who currently have duplicate coverage from another non-District employer and have currently chosen to opt-out of District health coverage in exchange for a stipend of \$2,400 annually may continue to opt-out and receive this stipend (grandfathered). This opt-out provision is no longer provided to other employees of the District. This opt-out provision is also not provided to those employees who are currently grandfathered, but who later opt-in and accept the District’s health coverage after 10/12/2016. All active employees otherwise not grandfathered by this article are required to participate in the medical plan.
