

How to do a search in the provider directory

For Anthem PPO:

- Go to <https://www.anthem.com/ca/sisc/find-care/>
- Select the network that you want to search
 - For PPO Full Network you search “Blue Cross PPO (Prudent Buyer) - Large Group”
- Put in the city/state you want to search
- Put in the facility, doctor, or specialty for which you want to search
 - A list will come up with any options in that area

For Anthem HMO:

- Go to <https://www.anthem.com/ca/sisc/find-care/>
- Select the network that you want to search
 - For HMO Full Network you search “Blue Cross HMO (CACare) - Large Group Plan Network”
- Put in the city/state you want to search
- Put in the facility, doctor, or specialty for which you want to search
 - A list will come up with any options in that area

See below for screenshot examples:

Search our Find Care tool for a doctor, pharmacy, hospital, or urgent care center that is in your plan.
