Medical Plan Options

Fall 2023

(Effective October 1, 2023)

Medical
(through SISC III JPA)

- Anthem Blue Cross HMO California Care
- Anthem Blue Cross PPO 100A
- Anthem Blue Cross PPO 80E
- Kaiser Permanente HMO
- Kaiser Permanente HDHP with H.S.A.

The HMO Plans

Key features

- Primary Care Provider and medical group provide standard medical care
- Service costs are predictable
- Your out-of-pocket costs are usually lower when you get care

Things to consider

- This plan only covers services from doctors in the **health maintenance organization (HMO)** plan, for an emergency out-of-network providers are covered as in-network
- Your plan requires you to select a primary care physician (PCP) and medical group (you can change your PCP and medical group on a monthly basis, but you need to contact Anthem or Kaiser before you seek services from the new PCP or medical group otherwise services will not be covered)
- If you need a specialist, you'll have to go through your primary care doctor to get a referral. In most cases, you will be sent to a specialist within the medical group

HMO – Care Away From Home

Do you have dependents who reside outside of California?

You and your dependents are covered for emergency services anywhere in the US and the world.

Anthem:

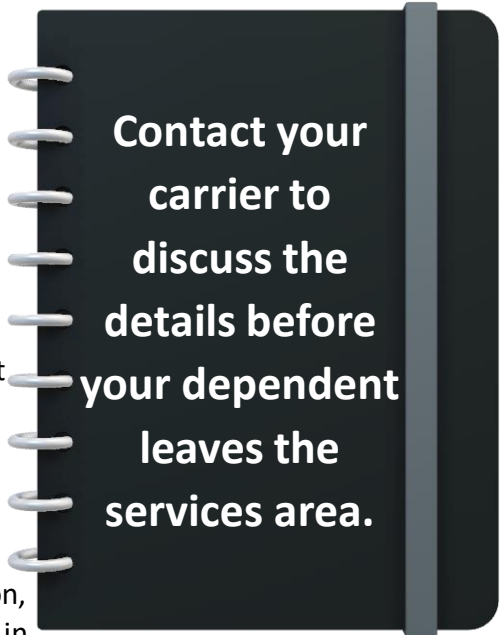

If so, they may be able to enroll for HMO coverage with a partner Anthem Blue Cross plan under their Guest Membership program. The HMO Away From Home Care program gives you Guest Membership if they will be temporarily outside of your service area for at least 90 days in one location.

Memberships are available if there is a participating Plan in your location. If it happens that the area you will be in does not have a participating Plan, the Guest Membership program would not be an option.

Kaiser Permanente:

There are Kaiser Permanente locations in California, Colorado, Georgia, Hawaii, Maryland, Oregon, Virginia, Washington, and Washington D.C. You can get most of the same services you would get in your home area when living temporarily in another Kaiser Permanente service area. Find Kaiser facilities at kp.org/locations.

If you're outside our service area or studying abroad, don't worry — you're still covered for emergency care anywhere in the world. However, you're not covered for routine services received from non-Plan providers — like checkups, preventive screenings, and flu shots.

**Contact your
carrier to
discuss the
details before
your dependent
leaves the
services area.**

HMO – How to Find a Primary Care Physician and Medical Group

Find a network provider

The Anthem HMO network is one of the largest in California, with more than 110,000 physicians and 387 hospitals

It's easy to find a provider online:

- Go to anthem.com/ca/sisc
- Find Care in the menu selection
- Choose the network you are enrolled in; HMO Full Network (California Care)
- You will then be directed to the Anthem website where you can search by specific provider type or location
- If you're looking for a primary care doctor, select the check boxes that say Accepting New Patients and Able to serve as Primary Care Physician (PCP).
- To find your doctor's provider and medical group/IPA number (needed when you enroll in the HMO plan for the first time), select the doctor's name and look for the online enrollment ID.

The screenshot displays the Anthem website's 'Provider Details' page for Alonzo Flores MD. The page is organized into several sections: 'CARE PROVIDER', 'AFFILIATION', and 'LOCATION'. The 'CARE PROVIDER' section includes the provider's name, a 'Doctor In-Network' status, and links to view provider information. The 'AFFILIATION' section lists the hospital (St. Joseph Hospital Orange) and the medical group (OWLS34). The 'LOCATION' section provides the address (225 S. Glasell St., Orange, CA 92666) and contact information (714.639.0303). A yellow oval highlights the 'PCP ID/ENROLLMENT ID (PHONE): 0896634' field. The page also includes a 'View Map of Your Results' button and a 'Back to Results' link.

The PPO Plans

Key features

- Access to many in-network doctors
- You don't need a referral to see specialists
- Out of pocket cost can vary based on the provider's fee for service
- Limited coverage for out-of-network providers

Things to consider

- The plan covers most services from almost any doctor or hospital, but you pay less when using a doctor from the **preferred provider organization (PPO)** plan.
- We recommend you visit a contracted/in-network provider for best savings
- Contact Anthem to confirm if services are covered before you visit provider such as labs/urgent care, etc.
