**Effective as of July 1, 2024**

# Useful definitions

## PMG/IPA

A participating medical group (PMG) or independent practice association (IPA) is a group of physicians organized as a legal entity that provides services to health maintenance organization (HMO) members.

## Prime code

Anthem's identifying number for its contracted PMGs and IPAs.

## County

Primary county where the PMG or IPA offers services. A medical group's primary location or headquarters may be based in one county with satellite offices in other counties.

## CaliforniaCare

Anthem's broad HMO network for the state of California.

## Select HMO

This network is built around those PMGs/IPAs demonstrating highly efficient practice patterns and hospital referrals.

## Priority Select HMO

This network is built around those PMGs/IPAs demonstrating very efficient practice patterns and hospital referrals in these Southern California counties: Los Angeles, Orange, Riverside, San Bernardino, and San Diego.

## Vivity

Vivity is a first-of-its-kind joint venture in Southern California. Top-ranked health systems have come together with Anthem to create a value-based-care model that delivers a seamless member experience with quality, coordinated, and cost-effective care. Vivity offers unique features that expand access and choice of providers within Vivity's network of PMGs/IPAs.

## Updates (from the January 2024 version):

- Removal of Mercy Physicians Medical Group from all networks in all counties
- Removal of Sharp Rees-Stealy Medical Group from our Priority Select network in all counties
- Valley Care IPA in Ventura County assumed by Dignity Health Network and renamed
- Addition of Emanate Health IPA to the Vivity network in applicable counties
