	<b>Short-term Employment Action Form</b>

**Please read these instructions before completing the form.**

## **Instructions**

A short-term employee is hired to perform a service that is not needed on a continuing basis and is **limited** to 160 days per fiscal year. The department budget may further limit these days, but in no case will a short-term employee work more than 160 days in a fiscal year.

A short-term employee can work 8 hours per day, 30 hours per week. If a short-term employee works 1 hour per day, it counts as one day towards the 160-day limit per fiscal year. Short-term employees are not exempt from the overtime provisions of the Fair Labor Standards Act, and shall be paid overtime for hours worked over 8 hours per day.

Short-term employees are hired at one set rate for a specific assignment and are not eligible for future pay increases in that assignment.

The Department is responsible for downloading the Short-term Employment Packet for the short-term and ensuring that he/she completes all the forms prior to turning them in to Human Resource Services. It is also the department's responsibility to submit a new action form for each employee each fiscal year if the short-term employee is being retained.

Short-term employees are not authorized to begin work prior to Board approval unless the Department's Vice President approves the early start date.

**The Division Dean/Director is responsible for checking the budget to confirm adequate funds are available to support the request.**

**SECTION 1:** Use the dates the employee is expected to work. Actual start date will be when all the hiring requirements are completed. Employment Action Forms will be returned to the Department if the account or any other information is incorrect or missing.

**SECTION 2:** Provide final date of employment. Accurate information is necessary to process final payment and to report data for unemployment claims and retirement fund reimbursements.

**APPROVAL:** It is the Supervisor's responsibility to obtain all approving signatures before submitting this form to Human Resource Services.

After this form is completed, approved and received in Human Resource Services, new employees **must come to Human Resource Services** to complete employment papers. To comply with the Immigration Reform and Control Act of 1986, all employees must provide identification and written documentation of eligibility to work in the United States.
