

Smith's Kitchen Renovation - by Design 2020

Floor Plan

The Smith family wants an open kitchen for 1 cook & an island for 3-4 seating

- Butler cabinet
- 5 seats island
- Baking station
- Work station
- Auxiliary sink and fridge
- L shape with Island + One wall layout
- This Plan can be adjusted to fit 2 cooks
- An architecture window opened in left side yard wall behind class door cabinet allows more natural light coming in without scarifying storage space.
- Cooktop on island to communicate with family
