Our online enrollment portal is a convenient, secure, and private process. To enroll online, you will need:

**Immigration Information | Glendale Community College**  
<https://www.glendale.edu/apply/international-students/current-students/advising-hub/immigration>

**Email address:** An active email address at which you can receive important messages. You can use your personal or school email address.

**Credit Card:** A valid Visa or MasterCard is required to purchase the insurance online. (If you don't have a credit card or wish to pay by check or money order, go back to your school page and download an enrollment form.)

**Student ID:** You will need your school-issued student ID number. This can usually be found on your student ID card or your billing statement. You may withdraw from the enrollment process at any time, but your information will be lost if you navigate away or close the window before you complete all the required information. Incomplete applications will not be processed. You will receive a confirmation email when your application has been successfully submitted.

## Eligibility Requirements

You must meet eligibility and attendance requirements set by your school to purchase this insurance coverage. The insurance company and/or Relation Education Solutions (the "Company") maintains the right to investigate student (and dependent) status and attendance records to verify that the policy eligibility requirements have been met.
