A Social Security Number is required to claim tax credits for higher education costs known as the American Opportunity Tax Credit and the Lifetime Learning Credit in accordance with the Taxpayer Relief Act of 2001. Federal law requires the California Community Colleges to provide this information to the Internal Revenue Service for the purpose of filing an information return (IRS Form 1098-T "Tuition Statement") for each student in attendance, with a few exceptions.

The information required by the IRS includes the student's name, address, Social Security Number or Taxpayer Identification Number (TIN/TIN), and enrollment status, as well as the amount of tuition paid or billed, and scholarships received. (26 C.F.R. 1-60505-1(b)(2)(ii).)

Failure to provide a correct Social Security Number or TIN while claiming tax credits for specified education expenses may result in a penalty levied against the student by the IRS in the amount of \$100, per year, until the missing or incorrect information is provided (26 C.F.R. 1-60505-1(e)(4)).

In addition, California Education Code sections 68041 and 70901(b)(7) authorizes the California Community Colleges Chancellor's Office (CCCCO) to collect information you submit through the OpenCCC Online Student Account and CCCApply Online Application for Admission for the purposes of completing and submitting California College admission applications and financial aid on your behalf.

Further, information acquired by the CCCCCO is subject to the limitations set forth in the Information Practices Act of 1977 (Title 1.8 (commencing with Section 1798) of Part 4 of Division 3 of the Civil Code). Compliance with these laws is identified in the [Privacy Policy](#).
