**2009-2010 Instructional Program Review and Planning Supplemental Form**

**How will you evaluate whether or not you have met your goal/priority with the requested resources?**  
 Well, when there are 3 new faculty members, full time to replace the 3 frozen because of retirements, we'll know we met out goal/priority.

**What evidence will you provide to reflect the impact these resources had on student learning?**  
 It's simple - EVERY ensemble is now being taught by part-time instructors. We are down to 3 full time instructors to try to maintain quality for a large and active performing program in music. Obviously, this has a serious effect on student learning.

<p><b>*5. Strategic Plan goal or objective addressed by this priority in <a href="#">Strategic Plan 2013</a>?</b>                   Sorry, can't open link</p>	<p><b>Course(s) &amp; SLO(s) addressed by this priority in <a href="#">Curricunet</a>?</b>                   All performing ensembles, currently 12 ensembles all together.</p>	<p><b>Program(s) and SLO(s) addressed by this priority (program is defined as a certificate, degree, or discipline) in <a href="#">Curricunet</a>?</b>                   AA in Music</p>

**6. Reflect on the progress your discipline and/or department is making on defining, implementing, and assessing course, program, GE/Institutional level SLOs. What have been the benefits and what have been the challenges?**  
 We are roughly half way through writing the SLOs.
