Palomar College – Program Review and Planning Non-Instructional Programs Year 2 Academic Year 2013-14

<u>Purpose of Program Review and Planning:</u> The institution assesses progress toward achieving stated goals and makes decisions regarding the improvement of institutional effectiveness in an on-going and systematic cycle of evaluation, integrated planning, resource allocation, implementation, and re-evaluation. Evaluation is based on analyses of both quantitative and qualitative data (ACCJC/WASC, Standard I, B.3.)

I. A. Reflect upon and provide an analysis of the four years of data above

Total number of international applicants and admits finally started increasing again.

Total number of international students receiving also increased. This increase partially resulted from new majors of "General Studies" and "University Studies." Total number of transfer-out students increased compared to 11/12 year; however, students' financial resources often affect students' decision on transferring. Some students who were admitted to the college for the transfer program decided to change to AA/AS or CA program.

I. B. Please summarize the findings of SAO assessments conducted.

"80% of international students accepted with a TOEFL score between 450-470, after taking the proper ESL classes, will maintain a GPA of 2.7."
While the average GPA of students started during the fall 2012 semester was 3.402, that of students started for the spring 2013 semester was 2.590.

I. C. Reflect upon the SAO assessment findings in <u>Box B</u> above. Discuss overall observations and any areas of concern or noteworthy trends.

A close look at the data showed a couple of items which may be related to student's performance. 1. TOEFL score is divided into three sections: Listening, Structure, and Reading. Student's score is an average of these three areas. Many of students whose GPA was below 2.7 had low scores in either structure or reading.

2. Student whose ESL level was changed to a higher level (by ESL department) often did not achieve a GPA of 2.7.

STEP II. PLANNING

Reflecting on the 4-year trend data, the SAO assessment results, and the college's <u>Strategic Plan 2016</u>, describe/discuss the discipline planning related to the following:

II. A. Programs changes and improvements (consider changes due to growth in FTES and Headcount, CSU/UC transfer language updates, articulation, workforce and labor market projections, certificate or degree completions, etc.)

International student population contributes to campus diversity. We will improve methods to process of qualified applications in timely matter and increase number of new admits.

- II. B. Additional programs to develop (consider enrollment trends, student demands, wait times, comprehensiveness, etc.)
- 1. We will re-visit the contract with California English School and modify items as needed. We will also cooperate with California English School owner and instructional staff to assist with CEA (the Commission on English Language Program Accreditation) process.
- 2. Develop a non-credit, online "pre-arrival orientation" class through blackboard to prepare new admits for what to do from the time of acceptance through the end of "new international student orientation" which is held on campus after their arrival. This new program will enhance the student's preparedness to "American" college life.

STEP III. RESOURCE REQUESTS FOR DISCIPLINE:

III. A. Describe the resources necessary to successfully implement the planning described above. Provide a detailed rationale for each request by referring to the analyses of data and SAO assessment results in Step I and/or to any other evidence not apparent in the data or SAO Assessment results.

a. Equipment (per unit cost is >\$500) Enter requests on lines below.

III. B. Are there other resources (including data) that you need to complete your discipline review and planning?

We would like to receive "transfer rate" information that comes from both UC and CSU Chancellor's office, or number of students transferred to each CSU/UC campuses from Transfer Center.

STEP IV. SHARE YOUR ACCOMPLISHMENTS Please include at least one discipline accomplishment that you'd like to share with the college community.

- In January, we held an all division staff meeting to develop a Mission Statement for Enrollment Services. Over a period of several months we worked on the mission statement collaboratively and through the assistance of Michelle Barton. Our mission statement is:
- "The Division of Enrollment Services is committed to excellence. We provide support services that enable prospective and current students to successfully navigate college and meet their learning goals.

The Division is made up of professionals who serve in the following areas: Admissions, Evaluations, Financial Aid, International Education, Records, Scholarships, and Veterans.

We value empowerment, collaboration, and innovation. We complete our work accurately and maintain compliance with all federal, state, and local regulations. We work as a team and in partnership with all other areas of the college from a student's first point of contact through completion. We care about our students and their success."

During the 12/13 academic year, we received a record number of applications. For the current semester (F13), we received a group of 87 new admits which we haven't seen since the mid-90s.

STEP V. ACCREDITATION For programs with an external accreditation, indicate the date of the last accreditation visit and discuss recommendations and progress made on the recommendations.

California English School under the administrative responsibility of International Education has applied for accreditation as an intensive English program as required by U.S. Department of Homeland Security. The accreditation team from CEA (the Commission on English Language Accreditation) came to campus from October 14th through 16th to conduct a site visit.

STEP VI. COMMENTS Other comments, recommendations: (Please use this space for additional comments or recommendations that don't fit in any category above.)

Have California English School apply for SEVIS (Student/Exchange Visitor Information System) apply for own approval. This will help Palomar recertified by SEVP (Student/Exchange Visitor Program).

Please identify faculty and staff who participated in the development of the plan for this department:
