Canvas Login and Resources

Canvas Student Login

Log Into Canvas

Canvas Login (Single Sign-On) uses your Palomar email address (for example, username@student.palomar.edu) and the email password (the same password that students use to access MyPalomar).

For students, the first time you use Canvas Login (Single Sign-On) you will be prompted to create a CCCID (California Community Colleges Systemwide ID). The CCCID process only needs to be completed once and takes just a few minutes.

For detailed instructions, review the **Canvas Login Procedure Guide** and the **Canvas Information for Students**. For assistance, please call the **Palomar College Information Services Help Desk at 760-744-1150 ext. 2140 or email helpdesk@palomar.edu**
