

Hybrid Math Courses FAQs (Frequently Asked Questions)

How do I start my Hybrid course?

Please read the “**How to Start Your Class**” on page 8 of your Handbook.

Where do I access my Handbook / Syllabus?

Go to www2.palomar.edu/mslc, <http://PearsonMyLabandMastering.com>, or your Canvas home page for this course.

How do I register for PearsonMyLab?

Please refer to page 2 of your handbook.

Which browser do I need to use?

Depending on your operating system, the browsers are supported by Pearson MyLab: Chrome, Firefox and Microsoft Edge. Please visit <https://mlm.pearson.com/northamerica/students/support/system-requirements/index.html> for details on the settings.

If I have technical difficulties with PearsonMyLab outside of Palomar College, whom do I contact?

Pearson Publishing Company’s Tech Support, <https://support.pearson.com/getsupport/>

How to get face-to-face help from Instructors and Tutors in the Math & Science Learning Center?

You can get face-to-face help on your homework by visiting the Math & Science Learning Center (Third Floor of the Library) on the main campus. Be sure to have your ID and student ID number with you. Also, make sure that you are complied with the COVID-19 regulations.

How to access the Virtual Math & Science Learning Center for help?

If you have any questions on your homework, you can get help through the Virtual Math & Science Learning Center. Simply click on the Virtual Math & Science Learning Center Zoom Link <https://palomar-edu.zoom.us/j/93713198344>. The Virtual Math & Science Learning Center Front Desk staff will log you in and send you to an appropriate breakout session. After you are done with your tutoring session, you must go back to the main session to be logged out by the Front Desk staff.

Note: Please provide your official name as in the Palomar College records. We have to verify it against the class roster before we can connect you to an instructor or tutor.
