COMMUNITY HOMES SAN DIEGO

NOW HIRING **LICENSED VOCATIONAL NURSES**

Working as an LVN at Mountain Shadows is not like most other nursing jobs! Unlike many skilled nursing or long-term care facilities, we believe in assigning a manageable caseload which allows the LVN to provide individualized healthcare services in a comfortable, loving environment. You will be allowed the time to give each person the attention they deserve.

New Grads are welcome. We will help you develop your nursing skills! LVN duties include monitoring the health status of the residents, administering medications orally and via G-Tube, administering breathing treatments and G-Tube feedings, providing personal care and providing interaction and socialization for our residents.

Pay: \$37.50-\$39.50 /hr.

Enrich the lives of individuals with intellectual disabilities while using your nursing skills in a unique way.
