

# Oxygen & Carbon Dioxide in Seawater

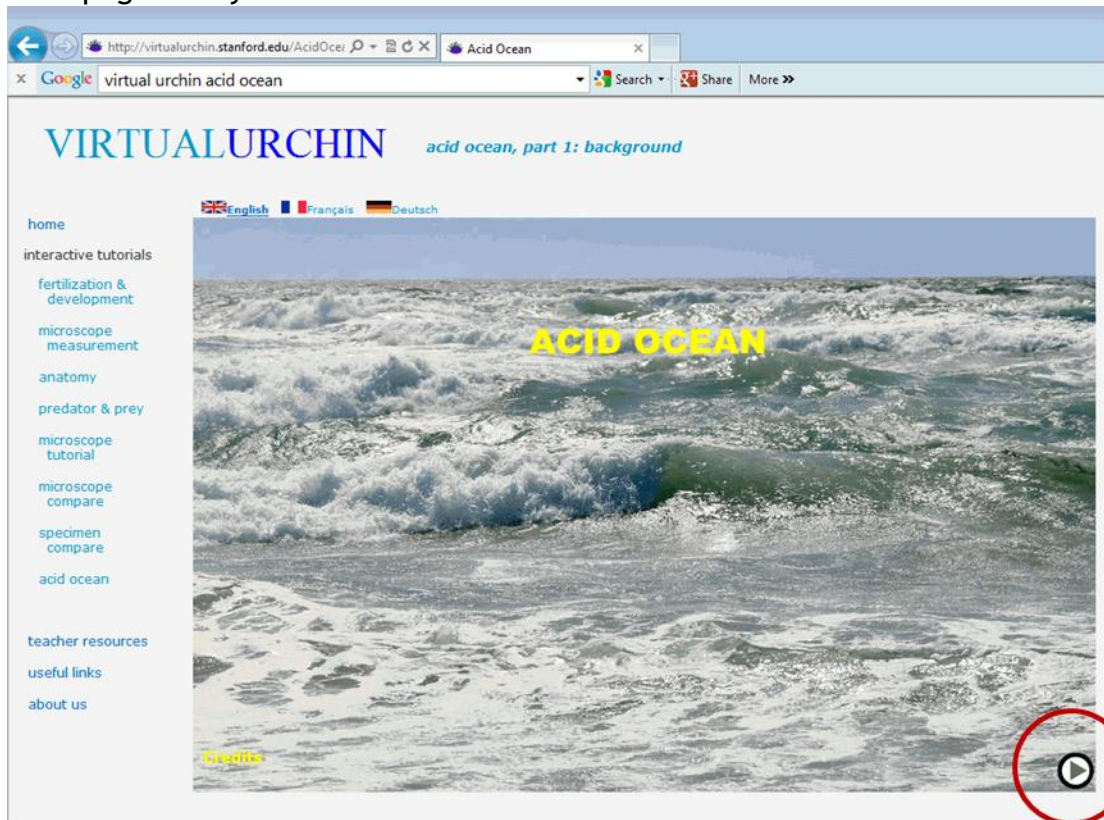

## Part II B: Stanford University's "Our Acidifying Ocean" Tutorial

🔔 Please note that this tutorial uses Adobe Flash Animation which is not supported on all internet browsers. *Chrome* is the recommended browser to complete this activity. Also, since the activity is interactive, it is best completed on a computer (please do not try to complete the work on a phone).

Go to the following website:

<http://web.stanford.edu/group/inquiry2insight/cgi-bin/vu-r1a/vu.php?view=acidocean>

This is the page that you will be directed to:

Click on the arrow in the lower right-hand corner of the image to begin the tutorial. Read through the first few slides, which provide background information.

🔔 **Note:**

The headings in the lab questions correspond to the titles of the slides in the tutorial.
