**Step 2: Public Employees Retirement System (PERS) Members:** Follow the instructions below:

When a PERS annuitant dies, there are several important steps a spouse or family member can take to assure prompt payment of any PERS benefits due.

- **The first step** is to notify PERS by phone or mail:  
P.O. Box 942711  
Sacramento, CA 94229-2711  
(916) 326-2323

The following information is needed:

  2. The date of death.
  3. Name and address of person providing notice of death.
  4. Name and address of surviving spouse, other next of kin or the person who will be settling the estate.
- **The Second step** is to gather necessary documents. The system will ask for:

    3. Letters of administration from the executor of the estate, if the annuitant's estate is to be paid any death benefits.

### **Payment of Benefits**

CalSTRS generally pays survivor benefits to recipients within 45 days of the receipt of the last required document.

Payment may be delayed if documentation, such as the following, is missing or not received in a timely manner:

- Marriage certificates
- Death certificates
- Declaration of domestic partnership
- One-Time Death Benefit Designation form with addresses of the recipient or recipients

### **Important Telephone Numbers**

- **State Teachers Retirement Service (STRS)**  
1-800-228-5453
- **Public Employees Retirement System (PERS)**  
1-800-225-7377
- **Delta Dental**
- 1-866-499-3001

### **Survivor Information Questionnaire/Claimant Statement.**

The information provided by this form is used to determine whether any event has occurred to invalidate the member's beneficiary designation or to identify persons who might be beneficiaries by law. It also serves as the formal application to receive payment of death or survivor benefits determined to be payable to PERS. The person completing this form is certifying that he/she is the beneficiary.

#### **General Information.**

All retirement warrants dated after an annuitant's death should be promptly returned to the system. If warrants have been mailed to a bank for direct deposit to the annuitant's account, a check for the full amount of warrants issued after the annuitant's death should be sent to PERS.

Any allowance accrued but unpaid as of the annuitant's death will be paid to the eligible beneficiary.

We suggest that individual readers save this page and place it with their retirement records to provide information and guidance to survivors or beneficiaries so they can receive prompt payment of any PERS death benefit

We also recommend that individuals maintain a record on Social Security or any other retirement systems which may pay benefits upon death to insure that no benefits are overlooked.

Questions should be addressed to the PERS Benefits Division at:
