

# PALOMAR FACULTY & STAFF ENDORSE:

**1 DR. JUDY PATACSIL**

**Miramar College Counselor and Professor Dr. Judy Patacsil runs for Area 1 (RB/4S Ranch)**

Dr. Patacsil was recommended by colleagues for her 30+ years experience helping students reach their career, educational, and personal goals, while maximizing their potential and success.

She believes in the empowerment of communities, families, and individuals through higher education, and that community colleges must facilitate positive outcomes in the areas of student access, retention, and success. She advocates for and works tirelessly in diversity, equity, and inclusion.

With an open seat in her area, Patacsil is ready to serve the CCC system in a new capacity!

**4 TRUSTEE KARTIK RAJU**

**Appointed Trustee Kartik Raju is running for Area 4 (Poway to Borrego)**

Since his appointment to our Governing Board in the fall, Trustee Raju has immersed himself in Palomar's community to fully understand the needs of students and employees.

He has already championed policies supporting student access, including for our disabled students, service members and military dependents, senior citizens, and first-generation college students. Raju's experience managing multimillion dollar projects is also an asset to the college as it focuses on fiscal responsibility, accountability, and transparency in our college budget.

**5 TRUSTEE NORMA MIYAMOTO**

**Board President Norma Miyamoto is seeking re-election in Area 5 (Fallbrook/Bonsall)**

Impressed with the direction Trustee Miyamoto is taking the college, the Palomar community is thrilled that she is running for Area 5 again!

As a former Palomar employee herself, Miyamoto is uniquely qualified to serve on the Governing Board. Her leadership has guided us through some real storms, and ultimately, the students have benefitted the most. Faculty and staff working conditions, compensation, and benefits have been improving - all while we waded through the pandemic and transitioned to a new Superintendent/President.
