

California Retired Teachers Association

CalRTA ... By Teachers, For Teachers!

CalRTA is fighting for ALL educators, but we can't do it without you.

Since 1929, CalRTA has fought to ensure educators retire with dignity and security. Embracing the vision of our founder, retired teacher Laura E. Settle, CalRTA is still: Fighting to protect your retirement security, providing resources to help you navigate your retirement journey, connecting you with a social network of fellow educators, and providing a way to stay involved with voluntary advocacy and community support.
