Please comment on how the Annual Meeting could be improved: (registration / location / social / program, etc.)

Maybe a parking area could be roped off/cones; signs to follow from parking lot.

Bathroom break after lunch before talks begin.

Parking on campus a problem—timing?? ; sound system—difficult to hear with soft voices; how about a door prize at the college—concert ticket (orchestra, choir, etc.), athletic event, theater tickets—at the end—keep them here (at the college), present flowers at end of Stacy's presentation.

More time.

A fun welcoming group—I felt very welcomed!!

I would prefer a served meal at a restaurant; the room was too cold for me.

Location good; menu OK but no wine; so cold in room; tighten the schedule—don't need such a long lunch.

Take-home boxes for left-over food; location was lovely; updates on each person—wonderful.

Please comment on whether you would like to hear from a college official as a main speaker or continue with more time to visit and socialize with fellow retirees:

All were fine; very useful.

Keep reviews from college officials.

It was fun to hear everyone's intros.

Enjoyed the speakers.

Enjoyed hearing Dr. Tina Recalde, Interim Superintendent/President, informing us of update on Prop M new and continued construction; and, info from Armando was good.

Yes

It was wonderful to have everyone introduce themselves; SISC talk was a good memory reminder.

Keep both.
