# FAMILY PACT

## PROGRAM SERVICES

---

CONTACT THE  
STUDENT HEALTH CENTER:

**(760) 891-7530**

Family PACT is a family planning program. It helps women and men avoid getting pregnant or causing a pregnancy when they are not ready.

---

All Family PACT services are available at no-cost to you while you are enrolled.

---

The Student Health Center can enroll you into the program, if you are eligible.

### What services are provided?

Confidential family planning visits for birth control counseling and methods that also may include:

- Emergency Contraceptive Pills
- Prevention, screening and treatment of most sexually transmitted infections
- HIV testing and counseling
- Limited cervical cancer screening
