PALOMAR *MAKES IT POSSIBLE.*

1. Apply to Palomar College

Apply online to Palomar College at www.palomar.edu/apply.

2. Activate & Check Your Palomar Student Email

Activate your student email and check your email frequently for important updates. The Promise Office will only communicate to you through your Palomar email address.

3. Apply for Financial Aid

Submit your FAFSA or Dream Act application, and include Palomar College School Code: 001260. You must have an official application on file with the college. Errors in filing out the FAFSA/CADAA can result in processing delays.

4. Submit Your Palomar Promise Application

Visit MyPalomar student portal to submit your Promise application. Applications are accepted on a first-come, first-served basis pending availability of program funds.

5. View Your Promise Checklist

Log into MyPalomar to view your Promise application status and eligibility checklist.

6. Complete the New Student Orientation

Online orientation is mandatory for new Palomar College students.

7. Develop an Education Plan

Starting spring semester, schedule an appointment with a counselor to help you select your fall classes. Contact the Promise Office at (760) 744-1150, ext. 3931 or call the Counseling Department at (760) 891-7511 to schedule an appointment. *An education plan is an important and necessary step to prepare for fall registration.*

8. Register for Classes

Enroll full-time on your priority registration date. Students who have a disability which interferes with taking a full course load may be eligible for accommodations, including a waiver of the 12 unit requirement, through the Disability Resource Center (DRC). Contact the DRC for more information.
