

## **PALOMAR COLLEGE POLICE DEPARTMENT**

1140 WEST MISSION ROAD, SAN MARCOS, CA. 92069

### **Palomar College Police Department's Annual Report regarding Military Equipment 2024**

The Palomar College Police Department (PCPD) is committed to transparency and accountability in the use of regulated equipment. This report outlines the usage, concerns, and financial aspects of the regulated equipment as required by AB 481 for the calendar year 2024.

None of the 2 qualifying types of equipment/tools that PCPD owns or utilizes; (1) LMT 40mm Less-Lethal Launcher, (5) Remington 870 Less Lethal Shotgun, were used during the last calendar year.

#### **Regulated Equipment Used**

- None

#### **Summary of how the military type equipment was used and the purpose of its use.**

- None

#### **Summary of any complaints or concerns received regarding the military equipment.**

- PCPD has received no complaints or concerns regarding the use of any of the 3 identified equipment/tools in our possession.

#### **The results of any internal audits, any information about violations of the military equipment use policy and any actions taken in response.**

- None

#### **Annual cost and source of funds for the regulated tools and equipment:**

- The inventory and total annual cost for the regulated equipment can be found here:  
<https://palomar.edu/police/open-justice/open-data-policy-and-procedure-sb-978/>
- In addition to the above inventory list, costs for training and other associated on-going costs are approximately \_\_\_\_\_ annually. The funding source comes from the department's budget.

The PCPD remains committed to ensuring the responsible use of all regulated equipment and upholding the highest standards of transparency and accountability. We appreciate the continued support of the Palomar College Community.
