EH&S Monthly Report**Month of September****Campus Emergency Preparedness:**

1. EH&S conducted evacuation drills at the following locations;
 - MD Building Evacuation Drill – April 2019
 - LRC Building Evacuation Drill – May 2019
 - Rancho Bernardo Campus Evacuation Drill – June 2019
 - Fallbrook Campus Evacuation Drill – postponed until September 19th
2. EH&S facilitated Emergency Operation Center (EOC) section specific training and planning for all EOC personnel in August 2019.
3. EH&S provided Classroom & Campus Crisis training during Plenary – August 2019

Safety:

1. Barrier Gates were installed at all main entry points on the San Marcos campus - completed over the summer break.
2. EH&S inspected parking garage at San Marcos campus to determine if speed bumps are needed – inspection completed, no speed bumps required at this time.
3. EH&S along with facilities conducted a walkthrough of buildings C and D (exterior only). The purpose of the walkthrough was to evaluate the exterior lighting in the corridor areas. Results from the walkthrough identified that additional lighting will need to be added throughout exterior of buildings and facilities will ensure that exterior corridor lights are working 24 hours to help improve the lighting throughout all corridors.
