

BENEATH THE SURFACE: A PERSPECTIVE FROM RISING STAR CAVE, SOUTH AFRICA

Lindsay Hunter rappels into the Rising Star Cave System
— photo by Elen Feuerriegel

EVENT SPEAKER

LINDSAY HUNTER

Lindsay was one of six Advance Cave Scientists, or "Underground Astronauts," who were the first to excavate the Dinaledi Chamber, of the then unknown human relative *Homo naledi*, within Rising Star Cave in the Cradle of Humankind World Heritage Site, South Africa."
