

Skillshops

For Student Success!

What are Skillshops?

Skillshops are free workshops offered by various campus departments and community partners.

These workshops are designed to help you succeed, whether it be in the classroom, at-home, or in the real world. Skillshops cover a wide-range of topics and are open to all Palomar College students.

TOPICS INCLUDE

- Academic Success
- Career Exploration and Planning
- Financial Aid & Scholarships
- Financial Literacy
- Health & Wellness
- Peer-to-Peer
- Student Life & Leadership
- Student Support Programs & Services
- Transfer Success

5 Reasons Why You Should Attend a Skillshop

- They are free.
- Attend as many as you want.
- They are jam-packed with information and skills you need to know.
- They are short and offered at convenient times and modalities.
- They are taught by instructors, counselors, peer mentors and experts.
