Four Things You Need to Know: How We are Funded

- Weekly Faculty Contact Hours (WFCH)
- Weekly Student Contact Hours (WSCH)
- Full-Time Equivalent Students (FTES)
- State Productivity Formula, WSCH/FTEF
- FTES and Funding CAP

Weekly Faculty Contact Hours (WFCH)

- Tells us how many hours the class meets each week (not to be confused with units)
- When looking at total WFCH, we are looking at the size of our schedule

Example – a Sociology class meets on Mondays and Wednesdays from 8-9:20 am. It is meeting 3 hours per week = 3 WFCH

- WFCH is both a scheduling and state reporting variable

Weekly Student Contact Hours (WSCH)

- Tells us how many student hours we have and is the intermediate step in calculating FTES
- WSCH is calculated by the following:

$$\text{WFCH} \times \text{Enrollment} = \text{WSCH}$$

Example: Sociology class of 3 WFCH with 45 students enrolled: $3 \times 45 = 135 \text{ WSCH}$

FTES Calculation

- o Full-time Equivalent Student (FTES) = one student taking 15 lecture units each semester for two semesters = 30 WSCH

- o 1 FTES=30 WSCH

Therefore:

- o $FTES = WSCH/30$

Example: $135 WSCH/30=4.5 FTES$

or

- o $FTES = \frac{WSCH \times 17.5}{525}$ (full semester)

Example: $(135 WSCH \times 17.5)/525 = 4.5 FTES$

State Productivity Formula, WSCH/FTEF

- o 1 Full-time Equivalent Faculty (FTEF) = 15 WFCH
- o Sociology class with 3 WFCH X 35 enrolled students
= 105 WSCH
- o $3 \text{ WFCH} / 15 \text{ WFCH} = .2$ or 20% load of Full-time
Equivalent Faculty

Example: $105 \text{ WSCH} / .2 \text{ load} = 525 \text{ WSCH/FTEF}$

FTES and Funding CAP

- o Dollar amount per FTES
 - o Credit = \$4,565
 - o Non-Credit = \$2,745
 - o Non-Credit CDCP = \$3,232
- o 2011-12 FTES CAP = 18,300

Four Things You Need to Know: **Accreditation**

- o ACCJC Standards and Compliance
- o 6-Year Cycle and Reporting Requirements
- o Role of SPC in Accreditation

Four Things You Need to Know: Shared Governance/AB-1725

- o At Palomar we use the term “Shared Governance” but “Participatory Governance” is more descriptive of the actual process as described in statute.
- o AB 1725 directs boards to provide opportunity for input/participation, and ensure that the recommendations and opinions of faculty, students, and staff receive reasonable consideration.

Defining and Implementing Governance

Part I: What is Shared Governance?

What is Shared Governance?

- o CCLC and Academic Senate Q&A
- o Education Code 70902(b)(7)
 - o “...ensure faculty, staff, and students...the right to participate effectively in district and college governance.”
- o Implementing regulations (Title V)
 - o Governing Board “consult collegially” with academic senate on academic and professional matters
 - o Students and staff have opportunity for “effective participation” in decisions that affect them.

What is Shared Governance?

- Using the consultative process to consider actions and make decisions contributes to a positive environment and stronger decisions.
- Agreement may not always be possible...
- Communication is critical.....
- Does the Superintendent/President have to agree with the recommendation of individual or collective constituent groups?

Defining and Implementing Governance

Part II: How does Palomar College
Implement Shared Governance?

Palomar College Governance Structure

- o How does participatory/shared governance work at Palomar? What does it look like (is there a chart anywhere?)
 - o What are councils? What are committees? How many do we have?
 - o How does information flow through the governance structure?
 - o OK...I have volunteered to serve on SPC, what is it that I really have to do?
- o All you ever wanted to know about Palomar's Governance Structure can be found in the *Palomar College Governance and Administrative Structure* document.
<http://www.palomar.edu/strategicplanning/Governance%20Structure/Governance%20Structure%20Book.pdf>

Palomar College Governance Structure

- o Our governance structure created to fully support the college values of inclusiveness and mutual respect.
- o As described in the CCLC and Academic Senate Q & A:

- o **Consult Collegially at Palomar means:**
The Governing Board relies primarily upon the advice and judgment of the faculty senate regarding academic and professional matters.

Role of the Faculty: Palomar Faculty Federation

- o The role of the PFF on SPC and other planning councils involves protecting the processes mutually agreed upon by the District and the PFF in the PFF/District Contract.
- o Collective bargaining issues include but are not limited to evaluation, class sizes, and academic freedom.
- o Through the shared governance process, PFF stays informed and assures that collective bargaining matters are dealt with at the negotiating table as part of a larger overall check-and-balance system.
- o Participation by PFF allows for
 - o one more perspective to be offered in the work done in committees with the goal of contributing to the discussion in a way consistent with the overall goals and spirit of the contract.
 - o identification of potentially problematic issues early on in the shared governance process.
- o At times, the PFF and Faculty Senate work together to deal with issues that fall within both collective bargaining and academic/professional matters, such as grading, where a policy may have implications for working conditions and discipline.

Role of the Classified Employees

- o Classified staff must be granted the opportunity to participate in the collaborative decision-making process, the developing or changing of policies, procedures and processes, that have an effect upon the classified staff.
- o Classified staff must be granted the opportunity to effectively communicate such developments or changes to the CCE E-Council & their constituents as part of the decision-making processes.
- o The CCE is the sole representative of the classified staff.
- o Participation by the CCE allows for:
 - o Inclusiveness in shared governance recommendations and decisions that may impact the College;
 - o Better understanding of the vision & goals, policy & procedures and process for the College;
 - o Identification of potentially problematic issues early on in the shared governance process;
 - o Transparency, promoting mutual respect and trust through open communication and actions;
 - o Another perspective offered in developing or changing policies, procedures, and processes;
 - o Addressing challenges and providing input through the classified staff and other planning councils.
- o Through the shared governance process, CCE stays informed and assures that collective bargaining matters are dealt with at the negotiating table as part of the larger overall check-and-balance system. Collective bargaining issues include, but are not limited to, evaluations, calendar, transfers, layoffs, compensation, health care plans and safety.
- o A full Scope of Bargaining list will be issued to each Classified representative appointed to a governance group by the CCE.

Role of the Confidential & Supervisory Employees

- o Staff must be granted the opportunity to participate in developing policies, procedures and processes, that have an effect upon them and the Palomar Community College District.
- o Areas and processes are not further defined by statute.
- o Confidential and Supervisory Employees are represented by CAST

Role of the Administrative Employees

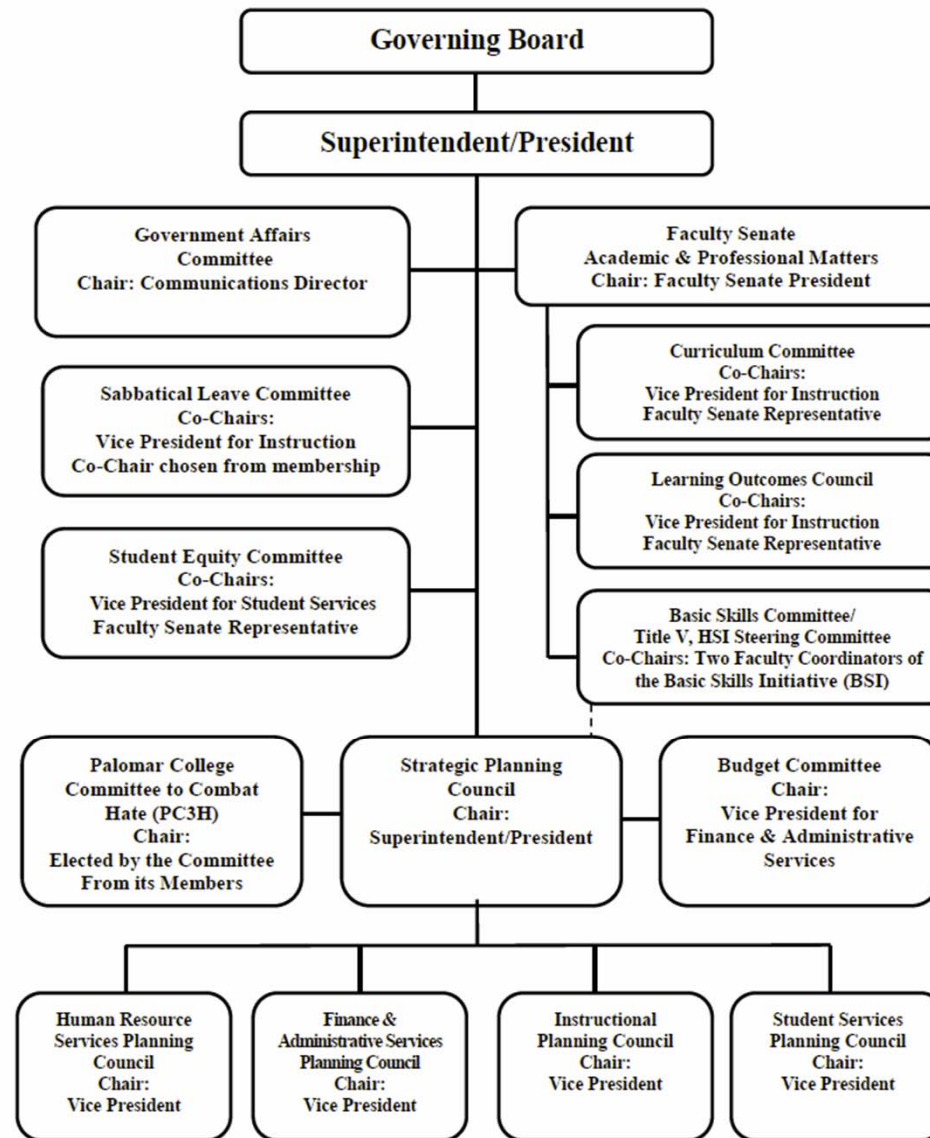

- o Administrative staff must be granted the opportunity to participate in developing policies, procedures and processes, that have an effect upon them.
- o Areas and processes are not further defined by statute.
- o Administrative staff are tasked with policy implementation.
- o Administrators (excluding the President, Senior, and Executive Administrators) are represented by the Administrative Association
- o Feedback to SPC through Planning Councils and A.A. representatives.

Role of the Superintendent/President

- o Ensure that the process works.
- o Make sure policies are in place and procedures are followed.
- o Serve as critical link between constituencies and Governing Board (usually serves as the designee of the board in governance matters).
- o While regulations delegate participation in decision-making, they do not take away the President's responsibility to make decisions.
- o Best situation is when the President and constituent groups are in agreement on recommendations made to the Board.

Can You See The Big Picture?

It is a cow!

Once you know what you are looking for, it is easy to see the big picture.

Midterm Report 2012* - ACCJC Recommendations and Planning Agendas

- **Recommendation #1 – Mission Statement**

In order to comply with the Standards, the College needs to modify its mission statement to identify its intended student population and its commitment to achieving student learning. Additionally, the mission statement should be used by the College as a central driving force in decisions made by the College (I.A.1, I.A.4, IV.B.1.b).

- **Recommendation #2 – Integrated Planning, Evaluation, and Resource Allocation Decision Making** [*Planning Agendas #2, #3, #6, #7, and #9*]

In order for the College to meet Standards ensure a broad based, ongoing, systematic, and cyclical process that includes evaluation, planning, resource allocation, implementation, and re-evaluation, the team recommends the following plan development, implementation, evaluation and improvement steps be taken:

1. Develop a comprehensive and an integrated long range strategic plan, including measurable goals that can be used to influence resource allocation decisions on an annual basis. The strategic plan should incorporate the priorities established in all of the College's major plans to include its:
 - a. Technology Plan
 - b. Facilities Master Plan
 - c. Educational Master Plan including the addition of the planned expansion of facilities to the northern and southern areas of the College's service area
 - d. Human Resources Staffing Plan (I.A.4, I.B., I.B.3,4, III.A.2, III.B.2.b, III.C.2, III.C.1.d). [*Planning Agenda #6*]
2. Modify the budget development process in a manner that will place the college's strategic plan priorities at the center of its resource allocation decisions (III.D.1, I.c). [*Planning Agendas #2, #3*]
3. Develop mechanisms to regularly evaluate all of the College's planning and resource allocation processes as the basis for improvement (I.B.6, II.A.2.f, II.B.4, III.3, IV.A.5). [*Planning Agendas #2, #3*]
4. Develop an updated Technology Plan to address such major concerns as disaster recovery, data security and on-going equipment replacement (III.C; III.C.1.a, c, d; III.C.2; III.D).

- **Recommendation #3 – Student Learning Outcome and Assessment Cycles (SLOACs)**

In order to meet the standards by 2012, the team recommends that the College identify assessment methods and establish dates for completing student learning outcomes assessments at the institutional level and for all of its courses, programs and services. This process should also include the development of performance measures to assess and improve institutional effectiveness of all programs and services. The College should disseminate the outcomes widely and use these results in the strategic planning and resource allocation process (II.A.1.a,c; II.A.2.a,h; II.B.4; II.C.2; III.A.1.c). [*Planning Agendas #1, #5*]

Midterm Report 2012* - ACCJC Recommendations and Planning Agendas

• Recommendation #4 – Program Review and Planning Processes

In order to meet Standards and for the College to derive the benefits expected of comprehensive robust, broad-based and integrated program review and planning which are now to be further enhanced through use of student learning outcomes, it is recommended that the institution substantially expand the number of departments participating in program review and development of Annual Implementation Plans. Compliance with the spirit, intent and requirement that planning efforts be broad-based requires that the College (I.B.1, I.B.2, I.B.3, I.B.4, I.B.5, I.B.6, I.B.7): *[Planning Agenda #2]*

1. Significantly increase the number of departments and programs undergoing program review on an annual basis;
2. Improve the quality of analysis included in each department's program review. Use of data in support of conclusions is expected; and
3. Establish goals that are measurable with stated desired outcomes listed and linked to the resource allocation process and student learning outcomes. *[Planning Agenda #2]*

• Recommendation #5 – Distance Education – Ensure Comparable Quality of Instruction

To meet standards, the team recommends the College focus efforts on identifying processes to ensure the quality of instructional programs, especially the increasingly popular distance education courses, are consistent regardless of the location or delivery mode (II.A.1).

• Recommendation #6 – Board of Trustees Policies

To comply with the Standards, the team recommends the Board of Trustees review, enforce and when necessary prepare policies to set direction on the following areas:

1. Prepare a policy to address significant changes in programs or elimination of programs (II.A.6);
2. Publish the updated policy on Academic Freedom BP 4030 approved in May 2006 (II.A.7);
3. Prepare a Board Policy or enforce existing requirements to protect due process rights of employees, and to protect administrators from retaliation and harassing comments when being evaluated (III.A.3, 3.a, 3.b, III.A.4, 4.a, 4.c; *Commission Policy on Diversity*);
4. Comply with existing policies related to:
 - a. Professional development and new member orientation (IV.B.1.f);
5. Reassess the appropriateness of BP 7100 and consider enhancing the policy entitled "Commitment to Diversity" as the current policy has been insufficient in ensuring the College complies with the Commission's *Policy on Diversity*; and
6. Establish a policy that denies access to the Board of Trustees by members of the Faculty Senate unless due process rights of any employee subject to a discussion about their performance are provided (IV.B.1.e).

Midterm Report 2012* - ACCJC Recommendations and Planning Agendas

- **Recommendation #7 – Improve Human Resources Practices**

In order for the College to comply with the Standards and improve practices in the area of Human Resources, the team recommends:

1. Instructional and non-instructional faculty and all others directly responsible for student progress in achieving stated SLOs need to have an evaluation component included in performance evaluations regarding each faculty member's effectiveness in producing SLOs (III.A.1.c);
2. Ensure that all employee groups prepare, be trained in and adhere to a Code of Ethics (III.A.1.d); *[Planning Agenda #8]*
3. Develop a comprehensive staffing plan in concert with the efforts of the 75/25 Task Force to provide appropriate consideration for support services necessary and link the plan to the budget development activities (III.A.2); *[Planning Agendas #6, #7]* and
4. Eliminate multiple personnel files that exist for administrators. Only one personnel file should exist for any employee and that file should be housed in the Human Resources Department thereby providing security of personnel documents and affording access to the file by employees (III.A.3.b).

- **Recommendation #8 – Conduct additional training to prevent Harassment, Discrimination and Disparaging comments against employees.**

To meet Standards the team recommends that the College engage in the following activities:

1. Develop a policy to discourage the use of discriminatory, harassing and unprofessional comments when participating in any evaluation process (III.A.4);
2. Obtain professional training on prevention of harassment and sensitivity to issues of equity and diversity (III.A.4); and
3. Adopt a Resolution to reaffirm its commitment to programs, practices, and services that support the diverse employees and students of the College (III.4.a).

- **Recommendation #10 – Prepare a Comprehensive Technology Master Plan that is integrated with other College plans. (Recommendation #9 – Protect Electronic Data is included in this recommendation.)**

In order to meet the Standards, the team recommends that the College update its technology master plan and ensure that it is integrated with College-wide planning efforts and based on systematic assessment of the effective use of technology resources to assure that technology systems and support are designed to meet the needs of learning, teaching, College-wide communications, research and operational systems (III.C.1.a, c, d; III.C.2).

- **Recommendation #11 – Long-Term Health Fund Liability**

In order to meet the Standards, the team recommends the College identify and plan for the funding of the future retiree health benefits (III.D.1.b, III.D.1.c).
