As always Student Life & Leadership is committed to the safety and well-being of our students. While at this time there is a need for physical distancing we encourage you to stay connected with your family & friends. If you need resources beyond food, shelter or safe parking please go to the Palomar College Home page (<https://www2.palomar.edu/>) and click on the "Quick Guide to Student Resources" button.

In an effort to minimize and mitigate the spread of coronavirus (COVID-19), there will be no classes held at Palomar College during the week of March 16. The campus will be closed the week of March 23 – March 27 for Spring Break. **For updated Palomar Community College District Information:** <https://www2.palomar.edu/pages/presidentsoffice/coronavirus-covid-19-information/>

In addition, the Food & Nutrition Center is taking the following proactive and voluntary steps to help reduce contact and/or spread of COVID-19:

- Providing gloves to all staff handling food in our Food & Nutrition Center and distribution sites
- Ensuring that staff and visitors are maintaining the recommended physical distance of 6' or more
- Increasing the visibility and importance of hand washing in our facility
- Recommending people avoid touching their eyes, nose, mouth with unwashed hands
- Recommending people avoid close contact with people who are sick
- Recommending staff to stay home from work, school or others if they display signs of illness or come into contact with affected individuals.
