

**TLC Escondido Presents  
MATH WORKSHOP:**

**SOLVING  
EXPONENTIALS  
& LOGARITHMS**

**$e^x$**

**Wednesday, Nov 6,  
3:00pm–4:00pm  
In Rm. ESC-500B**

- Utilize exponents for when multiplication isn't enough
- Learn the log rules to undo exponentials to solve for "x"
- Calculate the exponential growth or decay of a given set of data
