PALOMAR COLLEGE
CSU GE Advising Guide
Fall 2020 – Summer 2021

The California State University (CSU) General Education-Breadth pattern is one option that allows California Community College transfer students to fulfill the lower-division general education requirements of any California State University campus. The pattern includes 39 lower-division semester units with a minimum cumulative 2.0 GPA required, which may be certified by California Community Colleges. Partial certification may be granted by Area (A, B, C, D, or E). Full certification may be granted if all areas and units are completed. Courses may only be certified in one area and must be on the list at the time it was completed. Please see a counselor for specific information regarding major preparation.

PALOMAR COLLEGE **IGETC Advising Guide** **Fall 2020 - Summer 2021**

The IGETC General Education pattern fulfills lower-division general education transfer requirements for transfer to the University of California (UC) or California State University (CSU). Courses may only be used during the time they were approved for IGETC. See a counselor for details. All courses used for IGETC require a grade of "C" or better. A "C-" grade is not acceptable. A course may be certified in one area only with the exception of Area 6 double counting in 3B. IGETC may not be appropriate for selective majors at the UC. Consult a counselor for details. Students who initially enrolled at a UC campus, and attend a community college are not eligible to use IGETC for the same UC campus.

UC- 7 Course Pattern (part of IGETC)

Complete the following 7-course pattern by the end of the spring term prior to fall enrollment at UC:

- **Two** transferable courses in English composition from Areas 1A and 1B
- **One** transferable course in mathematical concepts and quantitative reasoning;
- **Four** transferable college courses chosen from at least **two** of the following subject areas:
 - Arts and Humanities
 - Social and Behavioral Sciences
 - Physical and Biological Sciences

For example:

3 chemistry courses and 1 history course

2 sociology courses, 1 physics course, and 1 art history course

1 biology course and 3 literature courses

Advanced Placement (AP) International Baccalaureate (IB)

- How do these test scores work into a transfer plan?
- AP Chart
 - Minimum score of 3 required
 - Can be used to meet General Education Requirements
 - Check with individual universities on how exams are used in the major
- IB Chart
 - Credit only for Higher Level (HL) exams
 - Can be used to meet General Education Requirements
 - Check with individual universities on how exams are used in the major

Palomar College Advanced Placement (AP) Guide

- Students must have the College Board send an official Advanced Placement transcript to the Palomar College Records Office. Credit is awarded for scores of 3, 4, or 5. Students shall not receive duplicate credit for equivalent coursework and AP exams.
- AP credit may be used to meet Associate Degree GE and/or Palomar major coursework, CSU GE, and IGETC requirements. Each CSU/UC campus will determine how it will apply examinations toward units and coursework in the major and G.E. (if not certified prior to transfer)
- When included within the Associate Degree for Transfer (AA-T/AS-T), Advanced Placement (AP) credit shall apply toward the lower-division minimum unit requirement for the CSU degree, and if applicable, the minimum unit designation for the CSU major or CSU GE-Breadth requirements.

Palomar College
International Baccalaureate (IB) Guide

Students must have International Baccalaureate send an official transcript to the Palomar College Records Office.

Course credit and units granted at Palomar College may differ from course credit and units granted by a transfer institution.

IB credit may be used to meet Associate Degree GE, CSU GE, and IGETC requirements.

When included within the Associate Degree for Transfer (AA-T/AS-T), International Baccalaureate (IB) credit shall apply toward the lower-division minimum unit requirement for the CSU degree, and if applicable, the minimum unit designation for the CSU major or CSU GE-Breadth requirements.

Students who have completed the Mathematics HL exam may have eligibility for MATH 100 through 120. The exam does not equate to any specific course at Palomar.

The History (any region) HL exam cannot be used to meet any component of the American History & Institutions requirement.

CSU/UC major preparation: Each CSU/UC campus will determine how it will apply examinations toward major preparation.

Using Assist.org: Live Demonstration

Learning Objectives:

- Find your Preparation for Major at a CSU or UC
- Find Articulated Courses to those at the CSU or UC
- Find Transferable Courses by Department
- Find courses that qualify for General Education
- Major Search
- Assist.org vs AD-T

What is an Education Plan? Why do I need one?

- A semester by semester course of study outlining a strategy for identifying and reaching your educational goals.
- May include career planning activities and support tools
- Developed by you and a counselor
- Transfer Comprehensive Ed Plan

Transfer Tip: Meet with your Transfer Counselor at least once per semester.

Ed Planning for Transfer

- Consider the "load" you are taking on:
 - Full-time school = 12 semester units = 3 to 4 classes
 - 1 unit = 1 hour of class per week (usually)
 - Study time/week = 2-3 hours per unit
 - Work outside of school: Ideally < 20 hours/week

Transfer Tip: Maintaining a high/competitive GPA is IMPORTANT!

Ed Planning for Transfer

- Transfer Universities do not consider how long it takes you to complete your Major Preparation or General Education units in the admissions process.
- Education Planning for Transfer is like putting together a puzzle that is different for each student depending on major, transfer goals, and interests.
- Transfer goals are not always a "2-year" plan

Transfer Tip: Complete Major Preparation and a high GPA make you most competitive.
