## California State University General Education (CSUGE) Requirements

### Fall 2022 – Summer 2023

The California State University (CSU) General Education-Breadth pattern allows California Community College transfer students to fulfill the lower-division general education requirements of any California State University campus. The pattern includes 39 lower-division semester units with a minimum cumulative 2.0 GPA required, which may be certified by California Community Colleges. Partial certification may be granted by Area (A, B, C, D, E, or F). Full certification may be granted if all areas are completed. Courses may only be certified in one area and must be on the list at the time it was completed. The addition of Area F and changes to Area D are effective Fall 2021 and subsequent catalog years (see footnote for details)<sup>1</sup>.
