PALOMAR COLLEGE
California State University General Education (CSUGE) Requirements
Fall 2023 – Summer 2024

The California State University (CSU) General Education-Breadth pattern allows California Community College transfer students to fulfill the lower-division general education requirements of any California State University campus. The pattern includes 39 lower-division semester units with a minimum cumulative 2.0 GPA required, which may be certified by California Community Colleges. Partial certification may be granted by Area (A, B, C, D, E, or F). Full certification may be granted if all areas are completed. Courses may only be certified in one area and must be on the list at the time it was completed. The addition of Area F and changes to Area D are effective Fall 2021 and subsequent catalog years (see footnote for details)[1].

PALOMAR COLLEGE
Intersegmental General Education Transfer Curriculum (IGETC) Requirements
Fall 2023 - Summer 2024

The IGETC General Education pattern fulfills lower-division general education transfer requirements for transfer to the University of California (UC) or California State University (CSU). Courses may only be used during the time they were approved for IGETC. All courses used for IGETC require a grade of "C" or better. A "C-"grade is not acceptable. A course may be certified in one area only with the exception of Area 6 double counting in 3B. IGETC may not be appropriate for selective majors at the UC. Students who initially enrolled at a UC campus, and attend a community college are not eligible to use IGETC for the same UC campus. See a counselor for details.

Education Plan

- A semester-by-semester course of study outlining a strategy for identifying and reaching your educational goals

- May include career planning activities and support tools

- Developed by you and a counselor

- Transfer Comprehensive Ed Plan

- Educational planning is a team effort between you and your counselor

Transfer Tip: Meet with your Transfer Counselor at least once per semester.

PALOMARPOWERED*TRANSFER*

Ed Planning for Transfer

- Consider the "load" you are taking on:
  - Full-time school = 12 semester units = 3 to 4 classes
  - 1 unit = 1 hour of class per week (usually)
  - Study time/week = 2-3 hours per unit
  - Work outside of school: Ideally < 20 hours/week

Transfer Tip: Maintaining a high/competitive GPA is IMPORTANT!

PALOMARPOWERED***TRANSFER***

Ed Planning for Transfer

- Transfer Universities do not consider how long it takes you to complete your Major Preparation or General Education units in the admissions process.

- Education Planning for Transfer is like putting together a puzzle that is different for each student depending on major, transfer goals, and interests.

- Transfer goals are not always a "2-year" plan

Transfer Tip: Complete Major Preparation and a high GPA make you most competitive.
