

## Tutoring Committee Goals for 2019-2020:

- Generated at our 10/3/19 meeting
- Progress with Tutor Classification Levels
  - Concerns with losing tutors
  - Creation of an internship program to extend employment
- Work with PAT 2.0 people
  - Work with Kendyl and John Lewis and the consultant
  - NBASC 902 follow up with non-tutor tracking usage of our centers
- Work with STARFISH Early Alert people
  - Will they be deploying STARFISH Connect? It should automatically generate message to faculty who refer their students to tutoring
- Funding/budgeting for tutoring centers
  - Title V grant is paying for food for tutor training – but the grant expires in Spring 2021, at which point there won't be any budget for food
- Limits on number of appointments that students can make; students going to multiple centers
  - Maybe PAT 2.0 will help with tracking this
- Embedded tutoring
- Supplemental Instruction
- AB-705 changes/impact on tutoring
- Metacognition/empowering students how to learn
- NEW GOAL ADDED IN NOVEMBER – tutor awareness and appreciation
  - Work group will meet in Spring 2020
