# Summer Workshops

## ELA

Students will learn and practice a variety of reading strategies that will aid in their analysis of complex and relatable texts

## Spanish

Students will explore cultural traditions that can be shared with stories, music, dance, and Art in the Spanish language.

## LEGO

Students will use Lego Bricks and specialty pieces such as gears, pulleys, levers, ramps, and axles as the medium to design, build, and test machines and complete engineering challenges.

## Book Club

Students will learn and understand the importance of storytelling through books "Don't ask me where I'm from" by Jennifer De Leon and "Home Is Not A Country" by Safia Elhillo.

## Senior Seminar

Incoming seniors will prepare for college applications. This workshop will include a college essay bootcamp.

## Field Trips

Students will be visiting a variety of local universities and participate in cultural activities.

FRI	

The image features a light gray background with decorative autumn-themed illustrations in the corners. In the top-left and top-right corners, there are stylized pumpkins with red-orange skin and black seeds, partially obscured by various autumn leaves in shades of teal, pink, yellow, and blue. The leaves have different shapes, including some with serrated edges and others with smooth edges.

## Alternative Assignment

Students are expected to attend and participate in Palomar College Upward Bound's Summer Hybrid Component.

If you are taking any summer classes or have scheduled commitments that will interfere with our summer workshops,

Please contact your advisor to discuss any scheduling conflict and to receive an alternative assignment that can be completed at your own time and submitted by **July 18, 2022**.

\*Students who participate will have priority in our end of the summer 5-day NorCal Trip!

# NORCAL TRIP:

July 25, 2022- July 29, 2022

Students will get the opportunity to travel to North of California and visit Universities, learn about college student life and participate in cultural activities. The NorCal Trip is free for UB participants who have participated in the summer workshops and have completed necessary documentation.

# NORCAL

## Orientation/Fieldtrips

Featured Destinations:

- University of California Riverside
- University of California Santa Barbara
- California Polytechnic State University San Luis Obispo
- University of California Santa Cruz
- California State University Fresno

**NorCal Orientation Friday July 18, 2022**

**5:30pm English**

**6:30pm Spanish**

## Student Responsibilities

- To login into classes daily during the six-week summer program.
- To complete daily assignments and ask for help when I find it challenging.
- To notify my assigned UB coordinator if I am unable to participate in class in a timely manner
- To respect all teachers, tutors, tutor advisors, and members of the Upward Bound staff. (Failure to do so may result in immediate dismissal.)
- To follow all rules and regulations as outlined in Upward Bound application.
- To participate in special events organized by Upward Bound. To take care and utilize responsibly all supplies that Upward Bound provides for you, such as ( graphic calculators, computers, and books/supplies).

## Parent Responsibilities

- Ensure that your student logs into classes in the morning and afternoon as outlined in the daily Upward Bound Schedule and Calendar for the Summer program.
- Provide an area where student can log in to classes and learn from the instructors.
- Cooperate with the UB staff in resolving problems and conflicts regarding my student while in the program.
- Notify the assigned UB staff when my student can't attend a class or workshop

We look forward to having you this  
summer!

—Upward Bound Team
